PREMIER HARA IS ASSASSINATED

Head of Japanese Cabinet Falls Victim to Knife of Fanatic at Tokio Station—Had Remarkable Career

TOKIO, Nov. 4.—Premier Hara was fatally stabbed in the breast today at the railroad station in Tokio.

WASHINGTON, Nov. 4.—Official advices from Tokio announcing that Premier Hara, of Japan, had been stabbed fatally, were received at the State Department here today soon after press dispatches brought the news of the assassination to the United States.

Japanese Embassy officials and members of the Japanese delegation to the armament and Far Eastern conference received the first news from the Associated Press and were greatly depressed.

The message to the State Department, which was filed at 9 p.m., Tokio time, gave no details other than that the Premier had been stabbed. An hour later a message from the American Embassy at Tokio announcing the death of the Premier was received.

M. Hara was rapidly attaining a predominant position in the political life of Japan, so much so that he was often referred to as the Lloyd George of the empire. He had achieved among other things a kind of working co-operation between the military and civil elements of the Government.

Admiral Kato, who is next to the Premier in the cabinet, is in Washington to carry out the Premier's policy, with which he is completely familiar. The assassination may have an important effect upon the conference so far as Japan is concerned, because it is the custom of the Japanese to consult freely among themselves upon all state affairs, and the conference delegation would undoubtedly have been freely to Premier Hara for his advice as the various important subjects for deliberation came up. Baron Takashira, the Minister of Finance, is third in rank in the Japanese cabinet, and it was deemed likely among Japanese here that he would be designated as the temporary head of the cabinet.

Some members of the delegation were inclined to attribute the crime to Japanese "Rohin," or strong-arm men, a band of so-called patriots, who some years ago were responsible for the assassination of M. Abe, the chief of the Far Eastern section of the Foreign office, for alleged lack of firmness in dealing with the Chinese situation.

The assassination of Premier Hara comes at a dramatic moment when the Japanese delegation is assembling for the Washington Conference, and when Japan is intensely interested in the international issues in which Premier Hara has until now taken such an important part. He had been urged to head the delegation to Washington, and for a time had the matter under consideration, but finally decided that his services would be better employed at home during the discussions at Washington.

Premier Hara frequently addressed the Japanese Diet concerning the serious work ahead of Japan at Washington, and on October 5 he expressed the view that Japan's chief aim would be to put an end to race barriers. He later conferred with the American ambassador at Tokio, and the Premier soon afterward announced at a meeting of the Government party that Japan was willing to compromise on the Shantung question with China, which had long been a main subject of controversy.

Premier Hara declared in recent statements that Japan was ready to accept a limitation of her naval establishment along with the rest of the world, and always keeping in mind the necessities of her national defence.

TAKASHI HARA HAS BEEN PREMIER OF JAPAN SINCE 1918. WHEN HE FORMED A CABINET AFTER THE FALL OF THE TERASHI MINISTRY, THE SEIYU-KAI PARTY, OF WHICH HE WAS A LEADER, TAKING CONTROL.

The position of the Premier and his party was confirmed by the general elections in May, 1920, that party obtaining a great majority.

The Premier has had a long and distinguished political career. Born in 1856, he was for some time in the Foreign Office service both at home and abroad, and was vice-minister for a time in 1895. He joined the late Prince Ito in organizing the Seiyu-Kai party in 1905, and shortly afterward became Minister of Communications in the cabinet. Later he served again as head of that department of the Government in the Seiyu-Kai Cabinet of 1908-09, resigning with the fall of that ministry and traveling in Europe and America in the latter part of 1908 and in 1909. M. Hara re-entered the cabinet in 1913, as Minister of Home Affairs, and in 1918 formed the cabinet now in office.

GRAIN INQUIRY MAY CONTINUE

Manitoba Court of Appeal Gives Judgment Dissolving Injunction—Validity of Order-in-Council Not Touched

WINNIPEG, Nov. 4.—Operation of the Royal Grain Inquiry Commission is valid under the order-in-council by which it was appointed, and its investigation of the grain trade may be continued, according to the unanimous judgment given today by the Manitoba Court of Appeal.

Validity of the order-in-council allows the continuance of the inquiry, the court held, and no bar to its prosecution now exists.

Only the argument as to the validity of the Inquiries Act and the order-in-council was dealt with by the judgment. Arguments have not been presented pertaining to the allegations of the United Grain Growers, Ltd., and the Northwest Grain Dealers' Association that the commission exceeded its powers, and this position was untouched in the judgment.

If this judgment is allowed to stand, it dissolves the injunction counsel for the complainants argued after its delivery, and prevents their clients from seeking further relief on the ground that the commission exceeded its powers.

After protracted debate on this subject Chief Justice Perdue suggested that the counsel once before the court at some future date and argue the matter.

FIFTEEN DROWNED IN WRECK

COPENHAGEN, Nov. 3.—Fifteen persons have been drowned by the sinking at West Jutland of the steamer Nils Gura.

IT WORKS WONDERS ON COLDS, CATARRH, BRONCHITIS, WEAK THROAT

Get the dollar outfit; it lasts two months. Small size, 50¢ trial size. Set of all dealers, of the Catarrhosone Co., Montreal. (Advt.)

HAPSBURG RULE ENDS IN HUNGARY

Bill Providing for Ousting of Dynasty Passes Two Readings in National Assembly—Vienna Not Satisfied

BUDAPEST, Nov. 4.—The Hungarian National Assembly today passed two readings of the bill calling for the overthrow of former Emperor Charles. It then adjourned until Sunday, when the measure will come up for third reading and final passage.

Count Stefan Bethlen, the Premier, who introduced the bill on Thursday, is expected formally to resign immediately the bill becomes law and afterwards reconstitute the cabinet.

The action of the Hungarian National Assembly today marks the passing, so far as Hungary is concerned, of the oldest and one of the most picturesque royal dynasties of Europe—the House of Hapsburg.

If the Hapsburgs have not cut such a spectacular figure in world events within the last few years as have the Hohenzollerns, yet the German ruling house was merely a faint shadow compared with the splendor of the Austrian family tree. Its branches, in their various ramifications, have spread sovereignty intermittently over Austria, the Holy Roman Empire and Spain since the Eleventh Century, whereas the Hohenzollerns supplied monarchs for Prussia only since 1701 and for the German Empire only since 1871, after the close of the Franco-Prussian war.

Charles (ad Zilla)—apparently the last ruling remnant of that ancient family—are now on a British monitor in the Danube River awaiting final disposition by the Allied Council of Ambassadors in Paris. Indications point to the island of Madeira, a Portuguese possession in the Atlantic Ocean off the African coast, as the ultimate destination of the ex-Emperor and ex-Empress, who, two weeks ago, soared out of Switzerland, their temporary haven, in an airplane and made a spectacular attempt to regain the Magyar throne.

VIENNA, Nov. 4.—The Hapsburg dethronement act in Hungary is declared by the Austrian press to be inadequate from the viewpoint of Austria and the Little Entente nations, as it failed expressly to exclude ex-King Charles and the other Hapsburgs from the elected kingship. Therefore, it is declared, neither Czechoslovakia nor Jugo-Slavia will demobilize.

PARIS, Nov. 4.—Demands for the execution of the Trianon Treaty between Hungary and the Allies and indemnification for the cost of calling Jugo-Slav soldiers to the colors, are made in a note to the Entente nations by the Jugo-Slav Government, says a dispatch from Belgrade. Complaints of dissatisfaction with Hungary under a control commission, which should be headed by a Jugo-Slav member was also asked.

MR. LAW ASSISTS IN IRISH AFFAIRS

Former Government Leader in Commons Has Interview With Premier—Outlook for Negotiations Thought Better

LONDON, Nov. 4.—Andrew Bonar Law, one of the most prominent members of the Unionist party, and former Government leader in the House of Commons, conferred with Premier Lloyd George last night and is taking a hand in an effort to reach a settlement of the Irish question.

The Daily Mail, in discussing Mr. Law's interview with the Premier, said today that he would, if necessary, bring independent influence to bear upon the extreme Unionists with a view to achieving a complete agreement upon the extreme Unionists with ment.

The outlook for a successful continuance of the Irish negotiations was regarded as somewhat improved here today because of recent suggestions regarding Ulster's possible share in the settlement. The prospect that Sir James Craig, the Ulster Premier, would take part in the discussions. The fact that Ulster members of the House of Commons have said nothing hostile in reference to the latest proposals was regarded as favorable, but there was no definite indication as to the attitude that Sir James would take.

The Government is endeavoring to find a method to transfer to the Ulster Government powers that would enable it to function without delay. It was asserted by The Daily Mail this morning. This might be effected by an order-in-council, which would obviate the necessity of waiting for Parliament to pass a special bill.

BELFAST, Nov. 4.—Sir James Craig, Ulster Premier, who is about to leave for London to consult over the question of an Irish settlement, presided over a meeting of the Ulster cabinet held this morning. At this session John M. Barbour, member of a Paterson, N.J., family, was installed as temporary finance minister, owing to a breakdown in the health of Hugh Pollock, the incumbent.

WORLD'S WHEAT CROP INCREASES THIS YEAR

WASHINGTON, Nov. 4.—Total wheat production this year of the 29 leading wheat-growing countries of the world, excluding Russia, reached 2,852,825,000 bushels, or approximately 180,000,000 bushels more than in 1920, according to latest estimates reported here today by the Department of Agriculture.

For next year's crop, the Department reported a somewhat favorable conditions throughout the Northern Hemisphere for winter wheat growing.

SHOWING FRIENDSHIP FOR LONDON POLICE

LONDON, Nov. 4.—Rodman Wanamaker, who was in charge of the police reserves of New York during the war, today, through Colonel Wood, presented a loving-cup to Sir William Herwood, commissioner of police at Scotland Yard. The chief of police and other officials attended the presentation. This cup is inscribed to Sir William Herwood and all the ranks of the Metropolitan police "in recognition of their efficiency and loyalty."

Sir William expressed great pleasure at the tribute to the Metropolitan police, and declared it was his conviction that the cup will be a perpetual symbol of the good feeling existing between the London and New York police forces.

Mr. Wanamaker has been made an honorary colonel of the London police reserves, while Sir Edward Ward, head of the special constabulary, has been made an honorary colonel of the New York police reserves.

VANCOUVER MURDER CAUSED BY JEALOUSY

VANCOUVER, Nov. 3.—Mrs. May Young was shot to death this morning at a local hotel, and L. T. Dillon, who is believed by the police to have done the shooting, is lying near death in the general hospital from a self-inflicted wound in the chest. The shooting was done with a .303 Savage rifle. No motive for the crime is known, and little is known here of either Mrs. Young or Dillon beyond the fact that the dead woman until recently was an entertainer at a local cabaret. Dillon was at one time an employee of the Whelan Pulp and Paper Company. Dillon's chances of recovery are said to be slight. Dillon, who is alleged to have done

the shooting, is a man of 54 years of age. Those who were at the scene of the crime suggest that both jealousy and insanity were the causes. Mrs. Young, who was a widow, was a well-known cabaret singer, having worked at a number of cabarets here. She was about 33 years of age, and has a young daughter. She had dined with Dillon last evening, and it is stated that they were engaged to be married. The police state that Dillon was born in New Brunswick.

GIVES APPROVAL TO CONFERENCE

Commons Unanimously Adopts Labor Member's Resolution Supporting Gathering at Washington

LONDON, Nov. 4.—The House of Commons unanimously adopted today the motion presented by Labor members "warmly approving" the Washington conference on limitation of armaments and far Eastern problems. The vote came after two and a half hours of discussion, in which numerous speakers supported the resolution and voiced hopes of the conference's success.

The resolution was introduced by J. H. Clynes, Stephen Walsh, J. M. Thomas, Arthur Henderson and Thomas Shaw, Labor leaders. It read:

"That this House warmly approves of the meeting of the international conference at Washington, and trusts that a supreme effort will be made to arrive at such measure of agreement as will secure a substantial and progressive reduction of the crushing burden of armaments."

There were protests against the introduction of the resolution, but they were futile. Debate on the question of the renewal of the Anglo-Japanese Alliance was believed to have been prevented, however, by Austen Chamberlain, Government leader, who asserted that such a discussion would be contrary to public interest.

Necessary Supplement to League
The debate was opened in the morning when Mr. Clynes moved the resolution. Mr. Clynes explained that his motion was not offered with any idea of raising a harmful discussion, and in his remarks he avoided all reference to the conference, confining his speech for the most part to a general discussion on armaments.

The world, said Mr. Clynes, is indebted to the United States for the convening of the conference. The League of Nations was incomplete for its purpose, he thought, and he regarded the United States in relation to this conference as having taken a step to carry out the main principle and object sought to be obtained by the league.

Alliances Untrustworthy
The conference, said Mr. Clynes, was in no sense in competition with or in opposition to the league.

Unless the conference dealt with the causes at the root of armaments, there was little hope of any reduction, declared the Labor leader, who at another point said: "We cannot trust any alliances based on present or past friendships and resting on any material or economic interest. These alliances are not trustworthy. They have failed us in the past, and there is a growing conviction that great international interests must be considered in common and that the future progress and goodwill of mankind can be secured only by the great nations of the world all uniting for the future peace of the world."

Mr. Donald Maclean, Liberal, in the absence of Mr. Asquith, the Liberal leader, seconded the motion for the resolution. "We are proudly conscious and grateful that in summoning this conference and in taking the steps to bring it to the League of Nations," he said, "our sister nation, the United States, was moved by no mean or selfish motive, but was actuated by a sincere desire to bring about a better state of things in connection with world armaments."

He felt certain, he added, that the conference was in no sense in opposition to the League of Nations.

Need of Moment
George N. Barnes, former chairman of the Labor party, who, as a member of the British delegation at the Paris conference, was strongly interested in the formation of the League of Nations, said that if the United States were a member of the League there would be no need of a separate conference. "The great need of the moment, however, he thought, was that the peoples of the world should be brought into closer touch with the great issues of the world which had been hoped. Consequently humanity turned to the Washington conference, which, he trusted, would give the same results as had been hoped for from the League."

Government Leader
Austen Chamberlain, the Government leader, who said President Harding's invitation to the conference had been welcomed in Great Britain with a unanimity and thankfulness difficult to express in words, added that the acceptance of the invitation was in no sense hostile to the League of Nations.

"We shall, I hope, find in Washington," he said, "that determination to overcome difficulties which will enable the nations of the world to fulfill the purpose of the President when he summoned the conference to limit armaments and assure peace."

INTERNAL BATHING ENDS CONSTIPATION; DRUGS THROWN OUT

"After using your J. B. L. Cascade for four months I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me," writes William Taylor of Lehigh, Ala., to the Dr. Tyrrell Hygienic Institute, Toronto. "Previous to using it I could not go a day without a drug of some sort, and since using it I have not swallowed five cents' worth of drugs. I spent more than \$100 in two years previous to hearing of the J. B. L. Cascade. Chronic constipation is never cured permanently by the use of medicines. Larger and larger doses usually become necessary to obtain even temporary relief, the consequence being a weakening of the system."

Nature's own cure, just sterilized warm water, is the scientific, safe, permanent treatment for constipation, and its attendant ailments, headache, indigestion, sleeplessness, and loss of energy. "Babin, proprietor Hotel Alexandria, Ottawa, writes: 'I have used the J. B. L. Cascade two years. It has made a new man of me. In reality I feel that I would not sell it for all the money in this world if I could not use it.'"

The J. B. L. Cascade will be shown and explained to you by the Owl Drug Co., Fort and Douglas Streets, Victoria, B.C., who will give you free on request an interesting booklet by Dr. Charles A. Tyrrell, on "Why Man of Today is Only 50 Per Cent Efficient." (Advt.)

LADY LAURIER IS LAID AT REST

Great Gathering at Funeral Attests General Respect and Esteem for Noble Woman—Buried Beside Husband

OTTAWA, Nov. 4.—Side by side with her late eminent husband, in a sheltered knoll in Notre Dame Cemetery, Lady Laurier was laid to rest this morning. The funeral took place from her late residence on the avenue which perpetuates the family name. It was an impressive manifestation of the public regard for a charming personality, passing on after 83 years of beautiful life.

Several thousand people, including many of the most distinguished men in the country, were either in the procession or lined the streets. Hats were raised as the cortège passed, in reverent regard for a noble woman who in the life of her distinguished husband had played the part of helpful consort.

Hon. W. L. Mackenzie King, Senator Lough and many other of the country's leading statesmen were present. The Governor-General was represented by Major W. O'Connor, A.D.C., the Quebec Government by Premier Taschereau, Hon. J. L. Perreault and Hon. Athanase David, while other prominent citizens from

Quebec province were Sir Lomer Gouin and Ernest Lapointe.

Several carriages were necessary to carry the floral tributes, which in magnificent profusion had banked the mortuary chamber.

The chief mourners were Robert Laurier, nephew; A. H. Brodeur, of Montreal; Carolus Laurier, brother of Robert Laurier, and St. George Harvey, nephew; M. Dorion, M. L. Marcell and M. Hurocher, of Montreal.

The Church of the Sacred Heart, the parish church attended by the Laurier family, was dressed in its emblems of mourning with streamers of black and gold, while in the solemnness of the requiem service all the impressive liturgy of the Roman Catholic Church was employed.

APPOINTED MEMBER OF RAILWAY BOARD

OTTAWA, Nov. 4.—With the announcement today of the appointment of Calvin A. Lawrence, the well-known railroad legislative representative, to fill the vacancy on the board of railway commissioners caused by the death of the late Commissioner Goodhue, it was stated in Government circles that the decision had been reached to appoint another railwayman to a position on the Canadian National board of management when that board is reorganized. Just when this reorganization will take place, however, is not known at present.

PRACTISE ECONOMY

When admission is made that the profits through the sale of liquor under Government Control are averaging at the rate of \$1,000,000 per annum, and considering that this is an entirely new source of revenue for the Provincial Government, it is pertinent for both the people and the Legislature to ask why there should be any need for more taxation. The revenue derived through the liquor law will more than recuperate the Provincial exchequer for any loss that may be sustained through whatever measures are adopted to assist municipal needs. Indeed, after provision is made for the municipalities, British Columbia will enjoy a substantially larger revenue this fiscal year than during 1920-1921, so that there is to be no new taxation. It would seem that some new expenditures are in contemplation. Provision has already been made for large outlays on the main highways of the Province, and at least \$2,000,000 of the fund required for this purpose has been borrowed. Repayment of this money, however, is provided for by the increased motor licence fees as these have been earmarked for special highway work, which, so far as we know, has yet to be commenced.

We would strongly counsel the Provincial Government, in the interests of business economy, not to impose any new taxation. There is a very substantial outcry at present against the personal property tax. The income tax, as it stands, is causing hardships in very many cases, and the proposal that the exemption up to \$1,200 and \$1,500 for single and married men should be removed and a one per cent tax levied on all incomes, no matter how small, is a step which is bound to raise a storm of protest. Such an impost would mark a radical departure from the principle upon which all taxation should be levied, namely, the ability of those taxed to pay. In every British land the exemption principle is recognised and any departure from it is considered to be unsound in an economic sense. The extension of the income tax to those who are earning barely enough upon which to subsist would be a species of injustice which we cannot believe Premier Oliver and his colleagues will tolerate. To call its application a "service tax," or by any other euphonious title, does not palliate the impost, which would be contrary to fair dealing and be bound to give rise to resentment that would be fully justified.

With the cost of labor and the prices of materials substantially lower than they have been, public works in this Province can now be carried out at expenditures less than they involved a few years ago. On every hand economy is being preached so that the debts amassed during the war may be reduced. More especially in the Provincial arena is economy desirable, for the heavier Provincial taxation is the more the ability of the people is lowered in the payment of their Federal obligations, and the latter must always take preference in the public mind. It is a truism to say that business and industrial expansion in British Columbia are already stifled by the amount of taxation to which our people are subjected, and any addition in impost, which is going to reach a considerable section of the people, or prove a specific tax on industry, will add to the handicaps under which we are struggling. With business-like economy, we reiterate, that there is no need for any new taxation, especially when in the policy of Government Control of the sale of liquor a new source of revenue has been found which is enriching the Provincial treasury at the rate of from \$2,000,000 to \$4,000,000 per annum.

A POLICY OF ALOOFNESS

The public utterances of President Harding of the United States and the past policy of that country make it apparent that America has no intention of departing from her historic policy of not entering into any permanent alliance with any other nation, or nations. Colonel George Harvey, the American Ambassador to Great Britain, has specified this policy in clear and unmistakable terms, and the question of an Anglo-Saxon alliance, or any other alliance in which the United States would be one of the partners might as well be finally dismissed from the realm of practical politics. Where foreign policies are concerned, America claims the right to govern her own actions without reference to any other Power, although she is willing to act on a consultative body of her own summoning which is to discuss affairs relating to world peace.

The reiterated statement of American aloofness has a bearing upon the outcome of the Washington conference on a reduction of armaments and Pacific problems. It has been obvious from the first, as all previous

history affecting armaments has shown, that no limitations can be imposed save through a concert between a number of Powers. No agreement of this nature would be binding unless it was invested with all the dignity and authority of a treaty, or what would amount to a treaty, rights, implying an alliance for a definite purpose. The question, therefore, is what kind of an alliance can be developed out of the Washington conference to which the United States would be a party? We cannot doubt that the statement of the American Ambassador to Great Britain was inspired, and that he was selected at this time, and on the eve of the Washington conference, to make it clear to all nations that the United States will not enter into any alliance.

We can admire the attitude of the United States in not desiring to enter into any alliance. It would be against her internal interests because of the polyglot population which is contained within her borders. America's first consideration must be her own internal peace, and that peace would be broken by any alliance with any of the great Powers. The factor of the varied character of the population of the United States is an element of importance when we consider its bearing on the deliberations of the Washington conference. Primarily it prevents the fulfilment of a hard and fast treaty, which, by the sanction of the Powers concerned could bring about a limitation in armaments. The question then arises, what is to take the place of a treaty? Armament reduction brought about by mutual consent, or, in other words, through the medium of an unwritten undertaking, would be subject to violation at any time, for there would be no guarantee that the nations concerned would hold together if the interests of any one of them were threatened. A policy outlining a reduction of armaments should have some permanency, and should, therefore, be binding. There is at least grave doubt if this desideratum can be brought about without a treaty to enforce the decisions of the Washington conference. Facts are stubborn things and have a tendency to dissipate that kind of optimism which is bred of pious hopes.

MR. CROKER'S ARGUMENT

One of the strangest arguments ever put forward by the leader of a political party is that advanced by Mr. Croker, when he claims that 750,000 persons have left Canada for the United States during the past ten years. He attributes this alleged exodus to the fact that Canada has a protective tariff, but he does not explain why people should go from here to another country where protection is even more highly developed. Mr. Croker cannot prove his figures, but even if he could, they furnish no argument for the cause he espouses, and it could be said with equal strength that some millions of people have left the British Isles in the last ten years because of the free trade policy which used to prevail in that part of the Empire. It might also be argued that a very considerable proportion of those millions came to Canada or emigrated to Australia because these two countries enjoy policies of protection.

Mr. Croker has challenged Premier Melchett to deny the figures of emigration from this Dominion that he has quoted. We may hope that the Prime Minister is better employed than tilting with every straw man set swaying in the wind of this campaign by his political opponents. Mr. Croker is either very naive himself, or wishes to impose on the credulity of his audiences in claiming that any emigration from this country has been due to a fiscal policy which prevented prosperity. Exactly the same reasoning might be employed to show that such a fiscal policy would set up equal barriers against immigration, yet facts and figures prove the complete opposite. Mr. Croker stands on very weak ground when he can invoke such an argument as he has put forward to buttress up his advocacy of free trade.

THE TOKIO MURDER

The assassination of Premier Hara, of Japan, the work of a fanatic as all such crimes are, comes at a critical moment and may exercise its influence on the Washington conference. The late Premier Hara was sincere in his desire, that an agreement should be reached between the Powers, and made no secret of his belief in the possibilities of the gathering to commence at Washington next week. To him Japan owes the choice of the representatives who are now on this continent, and that he should to some extent have departed from precedent in selecting these, argues his intention that the good faith of his country should be evidenced to the nations whose delegates are assembling at Washington. His death, by the knife of an assassin, creates a political problem in Japan the solution of which will not be helped by the absence of two of her principal statesmen, whose counsel will be needed in this crisis. The motive which lay behind the crime are not of any particular moment when the hand that executed it was that of a madman, for in that way no wrong is ever righted nor is justice satisfied. From the standpoint of the world there will be regret everywhere that Japan has lost one of her foremost statesmen, and one who had proved his love of peace.

HOLDS PREJUDICE, NOT ARMS, MAKES WAR

Intellectual Disarmament More Important Than Discarding of Guns, Declares Dean Coleman

"You cannot put an end to wars by standing the nations of the world against a wall and searching them for weapons. What is needed is an intellectual disarmament that will deprive the nations of the prejudices that lead to war, followed by the provision of a new set of ideals, a new set of attitudes and a new set of motives," declared Dr. Herbert H. Coleman, dean of the faculties of arts and sciences at the University of British Columbia, speaking before the Canadian Club yesterday at the Empress Hotel on "Anglo-British Relations."

"We cannot deny that many of us are afflicted with a form of shortsightedness that makes it very difficult to conceive of a lasting understanding in the absence of disarmament," said Dr. Coleman. "But hopeful signs is that the men and women are thinking less of personal convenience and more of the demands of humanity."

"My work is academic. My outlook is academic, and some people might use that term in a disparaging sense. Yet I am convinced that the world has need of the academic mind. One of the most encouraging things is that so many young men and women today attending universities are not concentrating on any one specific vocation or vocational pursuit, but are seeking a broader academic training. They are interested not so much in preparing for making a living as in preparing for life."

"In this matter of disarmament there is a field in which the academic mind may work. The type of disarmament which the world needs cannot be accomplished by politicians, but by the people as a whole. Intelligent disarmament—disarmament of the mind and spirit is what is needed."

"It is largely a struggle between nationalism and internationalism. The people of every nation have in the past been taught that the 'outside world' is a foe. So long as this conception of the world, and yet nationalism must live as well as internationalism. There cannot be international friendship between nations unless the individual nations are blessed with a vigorous and active national life. Wells has said that nationalism must be practical, and that if internationalism is to prevail, I do not believe that. The people of the world must be regarded as the cells in one great organism, all of them making their contribution, some more than others, to the life of that organism."

"The trouble with nationalism is that history has suffered from too great an emphasis on the national viewpoint. Because our histories tell of the growth and development of our own countries and tell of it from the same national standpoint, we have failed to see our history in its true light. The average person who has studied Canadian history at school has been taught to view the world from the Canadian standpoint. We have worked without and helped to make Canada what it is, the continental movements, the general political, economic and social trends in other countries. Without that knowledge it is really impossible to get a proper understanding of Canadian history."

"Let me tell you about a gathering a few days ago between a few representatives of this country and a few of the States across the border. We discussed candidly the problems of intellectual disarmament. We reached an agreement that both countries had suffered because in the schools this larger outlook had not been sufficiently impressed."

earth to those who are of goodwill. That is probably nearer the truth and certainly it is sounder philosophy. "This temple of international peace and concord of Anglo-American friendship can rise safely and securely only upon that foundation—goodwill and brotherly love."

Mr. B. C. Nicholas, president of the Canadian Club, introduced the speaker.

OBTAINS JUDGMENT AGAINST BOTTOMLEY

LONDON, Nov. 4.—A Streatham widow named Yates has obtained judgment against Horatio Bottomley, M.P., in the King's Bench Court for £443, the amount she paid for Victory Bond Club certificates which she returned to him.

The Victory Bond Club was a scheme organized by Bottomley under which the public subscribed £450,000 for the purchase of war bonds, part of the revenue from which was to be invested in a lottery scheme. Bottomley recently testified that he had personally lost £50,000 on the venture.

WHISKY RUNNER SAYS HIS WAY WAS LAWFUL

Court Reserves Judgment on Appeal of Charles Bright From Conviction Under Old Prohibition Act

The methods of whisky runners from this port to lonely beaches of Puget Sound during the halcyon and lamented days of the late Prohibition Act became a matter of court record yesterday when the appeal of Charles Bright from a police court conviction under the act came up for trial. Exhibits in the case were 57 bottles of Scotch whisky, contained in gunny-sacking bundles of three, each bundle strung at intervals of three feet on a half-inch manila rope, and so contrived that a half-hitch taken round the bottle necks would at once permit haulage of the precious freight, and prevent disastrous slipping of the same at a crucial moment, when preventive officers might raise or customs officials imagine a vain thing as to seizures.

Bright told the court that in the old Prohibition days he used to make liquor-running trips across to beaches near Port Angeles, a sandspit to the west of that port being particularly spoken of. In case of interruption in the work of transfer, he said, it was customary to make the strung cargo fast to a buoy, and let it sink. The consequence of the other end of the illicit traffic route would come along afterwards and raise the cargo when the coast was clear of the American officials.

Handy for Shipping
The accused was convicted last May in the City Police Court, by Magistrate Jay, on a charge under the Prohibition Act of having liquor for sale in his house at 124 Kingston Street, and was fined in the sum of \$500. A preliminary objection taken last week by Mr. R. L. Macdonald, for the defendant, of want of jurisdiction in the court, on the ground that his client had been arrested without warrant, was disallowed by Judge Lampman, and the date of the trial fixed for yesterday.

Evidence for the Crown, as adduced by Mr. C. L. Harrison, was given by Detective H. J. Macdonald and Philipps. They went to the house of the accused at two o'clock in the morning of May 25 last. The back of the house on piles, and on a flood tide the waters of the Inner Harbor came up under the floor of the house. A trap door in the floor led down by a ladder to a skiff moored beneath. The officers were investigating a theft of liquor from the warehouse of Messrs. R. P. Tilnet & Company, and they learned that Bright was innocent of any complicity in that offence.

They stayed for two hours in the house, and during the course of a search of it came across the whisky bottles, wrapped and strung on rope as described. They had told the accused someone was going to search the house for the missing liquor, and while they did not promise anything definite, they informed Bright that if he would tell what he knew they would do what they could for him. After the liquor was discovered, Bright made some statements to the detectives, and Mr. Harrison contended that these statements were not of that free and voluntary character which alone would justify their use in court against him. The officers said further that they took Bright to the police station and laid the charges of having for sale.

Expert Evidence
Not to overlook the point that it might be urged later by the defence that it had not been proved that the liquor in question was whisky, Mr. Harrison produced a vial of cork from his pocket, pulled the cork from one of the bottles on exhibit, and applied it to the nose of Detective Macdonald. The officer took a long, expert and satisfying sniff, and promptly pronounced the liquor to be Scotch whisky.

For the defence, the accused took the stand in his own behalf, and testified that he had bought the whisky legally and properly from Messrs. Pilmer & Lott. He bought it for purposes of running it by gasoline launch to the other side; and he described the modus operandi of the profession as it used to work in the old days, as described above. He said that the profits of the business in those days used to amount to \$15 a day.

Mr. Lowe argued that nothing in the evidence established the offence as charged against the accused. Unless it could be shown that the liquor was kept for illegal sale within the Province the case of the prosecution must fall. Running liquor to the American side was not an offence under the Prohibition Act. Mr. Harrison replied that the defendant had failed to satisfy the onus upon him of properly accounting for the liquor. He said that the liquor was kept for illegal sale within the Province, and that it was sold to such suspicious circumstances, and asked the court to uphold the conviction of the lower court. Judge Lampman reserved his decision.

The farmers of the Holy Land still use wooden sticks for ploughs.

PRAYERS FOR SUCCESS OF WORLD CONFERENCE

Clergy of Several Denominations Will Join in Services to Be Held in Metropolitan Church

A mass meeting in connection with the International Conference on Disarmament is to be held at Washington, D.C., November 11, 1921, will be held at the Metropolitan Methodist Church, Victoria, on Friday, November 11. Following is the order of service:

Hymn No. 47, "Our God, Our Help in Ages Past."

Prayer, the Very Rev. C. S. Quinlan, Dean of Columbia.

Scripture, Rev. A. de B. Owen.

Resolution, "International Disarmament"—Moved by Rev. Wm. Stevenson, seconded by Mr. Lindsey Crease, K.C., Chancellor of the Diocese.

Hymn No. 441, "Oh, God of Love, Oh, King of Peace."

Resolution, supported by Rev. W. J. Sippell, M.D., Rev. A. de B. Owen.

Doxology.

Benediction, the Right Rev. Chas. Schofield, M.A., D.D., Bishop of Columbia.

A day of prayer in connection with

the above conference will be held in the schoolroom of the Metropolitan Church, Pandora Avenue, on Friday, Nov. 11, from 10 to 12 a.m. and from 2 to 4 p.m. The Christian public of all denominations is asked to unite in a special intercession for the guidance of Almighty God upon the deliberations of this august assembly, whose decisions such momentous issues rest. The seasons of prayer will be under the leadership of well-known local clergymen.

DISCUSS INSCRIPTION ON WAR GRAVESTONES

LONDON, Nov. 4.—Lady Minto has provoked a somewhat extensive correspondence by her protest against the decision of the war graves commission against inclusion of the ages of the fallen soldier in the official epitaph inscribed on the higher portion of each headstone erected by the Government.

The official inscription merely records the man's regimental particulars, but a private inscription by relatives is permitted on the base of each headstone, limited to thirty-six letters, which may include the soldier's age.

Lady Minto urges that future generations should realize how the war produced generals under thirty and privates over 50. Most of the correspondents support Lady Minto, including Lord Buckmaster.

The war graves commission is understood to be open to reconsider its decision if there is any pressure of public opinion desiring this.

Mr. George Perley, Canadian High Commissioner, says he has received no representations from the Dominion on the subject.

FIFTY YEARS AGO TODAY

(From The Daily British Colonist of November 5, 1871.)

News from the Disarmament conference is excellent. The Forest Home took out one hundred and fifty copies, and the Pall Mall fifty-five copies, in one week. On Tuesday, the claims are being paid. The Victoria Company washed up one hundred and thirty copies and the Black Ball Company washed up fifty-five copies. The Jack of Clubs is yielding good wages. On Wednesday, the South Wales Company washed up three hundred and twenty-seven copies last week, and the Spruce Company is making good wages. European Dispatch—Hague, Nov. 3: The convention for the transfer of the Dutch settlements and Sumatra, on the coast of Guinea, has been signed by the Dutch and British Governments. Black Diseases at Comm.—Mr. Maudsley, of Comm., called yesterday to state that the South and West Indies, as previously in the States, has reached Comm. A new case of foot rot has occurred there, but it is the common complaint known to every country, and liable to occur under the most favorable circumstances.

WHERE MOST PEOPLE TRADE

Hill Farm Cobble Hill

Containing three hundred acres; one hundred acres cleared and underdrained; about seventy acres of rough pasture; sixty-five acres parkland; also suitable for early pasture. This farm will carry about forty dairy cows, four horses, and a sufficient number of hogs to take care of surplus feed. The buildings are in perfect condition. The main residence contains eight bedrooms, large living-room, dining-room, kitchen, two bathrooms; cement basement, with laundry tubs, etc., etc. A perfect system of hot water heating and wired for electric lighting. Five of the bedrooms contain washbasins, with hot and cold water laid on. In addition there are three farm cottages; two with bathrooms complete, the third cottage has the water laid on only. Septic tanks are installed and connected with all buildings.

First-class brick dairy; 28-stall concrete dairy barn; calf pen for twelve calves; large stable, 56 x 120, that can be converted into dairy barn; bull pen, implement sheds, loft room for crop and hay, etc. Piggery plant can be converted if desired to handle one thousand head of poultry, or restored to take care of one hundred and fifty hogs. With an additional building, 45 x 90, that is ideal for sows with litters, or would serve as an excellent brooder house for poultry. There are two wells that have never failed present tank capacity, 7,500 gallons. The wells easily produce 10,000 gallons in 24 hours. Water is laid to all buildings, likewise to every field on the farm. This delightful property will be for rent to a desirable tenant on and after December 1. The E. & N. Railway runs to Cobble Hill. The farm is one and one-half miles from the station. The man in charge will be pleased to show you the land and buildings.

Box 7114, Colonist Office
Applications will be dealt with on or about November 15.

ST. PAUL'S ANNIVERSARY SERVICES TOMORROW

Marking the anniversary of the founding of the church by its present pastor-emeritus, the Rev. Donald MacIsaac, D.D., thirty-two years ago, special commemorative services will be held in St. Paul's Presbyterian Church, Victoria West, tomorrow at 11 a.m. and 7:30 p.m., led by the

Cuticura Soap The Safety Razor Shaving Soap

Cuticura Soap is the only shaving soap that is safe for the skin.

Rev. R. G. MacBeth, M.A., noted Canadian author, lecturer and preacher, and one of the leading ministers of the denomination, and altogether a splendid specimen of Canadian manhood.

A young people's rally under the auspices of the Young People's Society of Christian Endeavor at 8:45 p.m. will afford Mr. MacBeth an opportunity such as he always appreciates and for which he is exceptionally well qualified. Mr. MacBeth will also visit the Sunday School at 2:30 p.m. and give a short talk to the children.

The late George Murray wrote of Mr. MacBeth thus: "Possesses the happy faculty of giving free expression to the accumulations of a retentive memory and of keen powers of observation."

WILL SEEK AID IN BRIDGING ROCK BAY

City Council Will Ask Store Street Property Owners to Bear Portion of Cost of Transferring E. & N. Span

Before going ahead with the restoration of the Rock Bay bridge either through the utilization of the old Esquimalt & Nanaimo Railway span or some other means, the City Council will ascertain how much, if anything, Store Street property owners will advance towards the cost of the project.

This policy was decided on yesterday afternoon by the Streets Committee after City Engineer F. M. Preston had reported that his department would be ready to move the E. & N. span about April, and that, if the Council wished to place it at Rock Bay, steps should be taken now to prepare the necessary plans and make the requisite application for permission to the Dominion authorities.

The estimated cost of a concrete centre pier in the Rock Bay site, Mr. Preston pointed out, would be as follows:

Pier complete, \$9,000; dismantling, moving and re-erecting the old span, \$9,000, this item to be credited to the Johnson Street Bridge by-law. Total, \$18,000.

"On the other hand," wrote Mr. Preston, "if the Council decides to dispose of the old span, it would be as well to commence calling for tenders without much further delay."

There was some discussion as to the need of building approaches at the Rock Bay bridge site.

"As a taxpayer, I'm glad to know that there cannot be a local improvement by-law in this matter," said Ald. Todd.

Must Have Approaches
"It would be folly to put in a span without the approaches," said Mayor Porter, who went on to say that there was no money available for the purpose at present and that he doubted whether a by-law would be passed.

"I suppose if the property owners put up money for the part of the work outlined in this report, it would be all right," said Ald. Sangster.

"I don't think so," said Ald. Todd. "They probably would give \$10,000 and we would have to put up the balance. It would cost \$18,000."

The total figure of \$30,000, submitted by Mr. Preston some time ago, included the filling which, if put in gradually, would cost nothing, Ald. Woodward pointed out.

Mr. Preston told the Council that arrangements had been made to give Victoria paint concerns an opportunity of securing the contract for painting the bridge.

The committee referred a proposal for sidewalk construction on Richardson Street between Walton and Arnold Streets, to the 1923 Council. It declined to authorize a wooden sidewalk on Wilmer Street as there is no money available for the purpose. It turned down sidewalk construction on Shakespeare Street for the same reason. Temporary relief in respect to a ditch running in front of a store at 1195 Tolmie Avenue will be provided at a cost of \$65.

DENIES STATEMENTS

Attorney-General Refutes Charge Made at Regina Gathering of Prohibition Officials

Denial of the statement made at the International Prohibition official convention at Regina, to the effect that more liquor has come into British Columbia for illicit purposes since the Government control system has become effective than went into Manitoba and Alberta during the period of interprovincial trading, was given Thursday by Attorney-General Farris, who declared the statement is not true, and there is no foundation for the charge that illicit liquor trading is being held down and naturally tends to decrease under control.

ditions of Government sale of standard liquors at set prices.
The Attorney-General also declared that Government control has tended to control bootlegging, despite statements made at the Regina meeting. The Provincial Government, he stated, has no record of any 400,000 cases of liquor having been shipped into British Columbia from Saskatchewan warehouses since British Columbia assumed control of the liquor question. His Frank Jones, president of the Province for the purpose of export from bonded warehouses and not for local consumption.

NEGOTIATIONS ARE NOW AT STANDSTILL

Principals in Scheme to Establish Paper Mill at Prince George to Meet Government Again Later

"Negotiations are at a standstill for the present, but are not broken off," said Mr. Angus McLean, one of the eastern financiers here to take up with the Government certain matters in connection with the proposal of a syndicate to build a pulp and paper mill at Prince George, when seen at his home last night. Mr. McLean stated that he was returning East at once, but would return again about the end of the month, bringing with him Mr. J. M. Macdonald, president of the Canada Cement Company, one of the members of the syndicate.

There has been no change in the original plans of the syndicate, Mr. McLean announced. He pointed out that while the pulp and paper business was at a low ebb that would not deter the syndicate in the scheme from going ahead if the negotiations with the Provincial Government were satisfactory. The best time to put up the plant was while business was dull, declared the eastern financier. Mr. McLean would not give out the matters which are under negotiation.

NOVEMBER COURT LIST

Next Tuesday, His Honor Judge Lammiman will sit in the County Court for the purpose of assigning dates for the purpose of coming on for trial this month. The list of trials is as follows:

Donald Gille (Pooley, Lutton & Pooley), vs. George Smith (Pooley), vs. Fred Smith (J. S. Brandon), vs. San Juan Box Company.

Albert Edward Dancy (Whittaker), vs. Elizabeth Hutson (Mills), vs. Meredith-Jones & Irwin (Barnard).

Walter Long (Lutton), vs. W. G. Heaney (Higgins).

Sands Funeral Furnishing Company (McLure), vs. Kirk Coal Company (Goffrey).

William Wilby (Tait), vs. Joseph J. Martin (Moreby).

Albert Jas. Gray and Christine Gray (Aikman), vs. Daisy Robertson (Jackson).

A. F. Robertson (Bullock-Webster), vs. Chas. I. Ward (Patton).

Ed. Padley (Sinnott), vs. Ethel Cook (Keefe).

J. H. Taylor (Miller), vs. George Elliott and H. Sharp (Aikman).

Rex (Harrison), vs. George Brooks (Moreby).

Rex (Harrison), vs. George McIntosh (Moreby).

George R. Matthews (Clearhouse), vs. Geoffrey Butler (Crease).

R. Richmond (Wallis), vs. J. W. Ridgway (Sinnott).

Albert O. Juscoe (Wallis), vs. Alfred Gosh (Bradshaw).

OBITUARY NOTICES

ROWNTREE—The funeral of the late William Asher Rowntree will take place this afternoon at 2 o'clock, service being held at the Thomson Funeral Home. Rev. Samuel Cook will officiate, and interment will be made in Ross Bay Cemetery.

KEELE—The funeral of the late Mrs. Lillian Priscilla Keele will take place this afternoon at 2 o'clock from the Thomson Funeral Home, 1625 Quadra Street. Rev. Dr. Campbell will officiate. Interment will be made in the family plot at Ross Bay Cemetery.

SMITH—The funeral of the late Mrs. Sarah E. Smith, wife of Mr. James Arnold Smith, of South Salt Spring Island, will take place on Tuesday, the 8th inst., at 11 o'clock a.m., from the Sands Funeral Chapel. The deceased was born in England and was 41 years of age and a resident of Salt Spring for the past eight years, and is survived by her husband, two children at home, and two sisters in England.

ANNETT—The funeral of the late William Annett, whose death took place at the Royal Jubilee Hospital on October 29, took place on Thursday afternoon at 2 o'clock from the Sands Funeral Chapel. Rev. G. H. Andrews officiated and interment was made at Ross Bay Cemetery.

GLIDE—The death occurred yesterday of Mr. Henry Glide at his family residence, 7 Erie Street, Victoria, in his 86th year. He was a resident of this city for 48 years and one of the pioneers of Vancouver Island. He leaves to mourn him two daughters, Mrs. A. H. Brown, 7 Erie Street, and Mrs. Fred Casselton, 1927 Meares Street, one son, Mr. Andrew Glide, and several grandchildren, all of this city. Funeral announcement will be made later.

Vancouver Majority
VANCOUVER, Nov. 4.—Alderman C. E. Tisdall will be candidate for mayor at the civic election in January, it is announced.

Using a razor—bad stuff—but many people do it for their corns. The only remedy that is painless and sure is Putnam's Corn Extractor, which does remove warts and corns, cleans them right off. Refuse a substitute for "Putnam's," 25c everywhere. (Adv.)

COUNCILLORS LEARN WARD EXPENDITURES

Saanich Council Receives Report to End of October—Other Matters Dealt With at Regular Meeting

Clerk Hector Cowper informed the Saanich Council on Thursday night that the ward expenditures in Saanich municipality from January 1, 1921, to October 29, 1921, were as follows: Ward 1, \$4,911.26; Ward 2, \$4,943.55; Ward 3, \$4,937.87; Ward 4, \$4,904.95; Ward 5, \$4,868.28; Ward 6, \$4,967.87; and Ward 7, \$4,826.01. The total ward expenditure to date is \$41,349.14, while \$41,341 has been expended in addition to that amount.

A communication from the Ward 7 Ratepayers' Association was received, in which was embodied a resolution passed at a recent meeting of the organization when it was urged that the Saanich Council should only employ day labor in the water extension work, and should take into consideration the immediate relief of unemployment in the municipality by engaging men to cut timber or work on other relief measures. The letter was ordered filed.

The Council went on record as approving the establishment of industrial institutions for the welfare of erring youth, a step suggested recently by the Pride of the Island Lodge, Sons of England.

Councillor Vantreigh made a strong plea for the installation of electric lights and street lamps in the Gordon Head district. There was considerable discussion over the matter, which was laid over for one week.

V. O. N. Tag Day

Permission was granted to the Saanich branch of the Victorian Order of Nurses to hold a tag day in the municipality in aid of the organization's work, on Saturday, Nov. 26. Mr. H. E. Russell, assessor, advised the Council that the municipality would be unable to collect the unpaid 1920 taxes which the Victoria and Sidney Railway Company owes. The letter pointed out that no action could be taken against the receiver of the company. The Council instructed Mr. Russell to strike the item from the tax list.

The invitation was accepted of the Saanich branch of the Victorian Order of Nurses to be present at the formal opening of the Saanich War Memorial Health Centre, which will take place on Thursday, November 24, at 3 p.m.

The Fire Chief reported that three fires occurred in Saanich during October. One woman was burned to death in a fire on October 6. There was considerable damage caused by the conflagration.

Mr. C. L. Keston, King's Road and Mount Tolmie Avenue, and Mr. J. H. Hines, Battleford Avenue, wrote the Council asking for permits to erect barns on the properties. The requests were referred to the councillors for the ward for report.

A petition signed by a large number of ratepayers of Ward 2 asking for house numbers owing to the possibility of obtaining a rural house to house mail delivery in the near future was presented to the Council. On the motion of Councillor Ormond, an estimate of the cost of the requested work will be first secured from Works Superintendent Gilling.

Control of Traffic
It was decided to ask the municipal committee of the Provincial Legislature to widen the powers of the Municipal Act by amending the section governing the control of traffic on highways so that the municipalities may be able to close highways to extraordinary traffic upon the initiative of the engineer or any other authorized official of the municipality.

A committee consisting of Reeve Watson, Councillors Ormond and McWilliams, was appointed to see that the houses being built in the municipality under the housing scheme are satisfactory. Considerable discussion arose as to the nature of the dwellings that are now under construction.

Councillor Ormond brought up the matter of preparing a new assessment roll, when he asked the assessor should be asked to make a report upon the method or basis of the present assessment. Councillor Kingwell presented a motion that the assessor be asked to make a report upon the method or basis of the present assessment. The motion was carried.

The Council accepted the tender of the Northwest Supply Company, of Victoria, for the supply of material for the water extension, which will be begun after November 8. The amount of the successful bid was \$26,48 per 100 feet.

The Provincial Department of Public Works will be requested to carry out the Highway Act in the municipality respecting primary and secondary roads as it had been in force the whole year. If their request is granted, the municipality will receive considerable money from the Government in rebate.

DELIGHTFUL DANCE HELD LAST NIGHT

Victoria Business Girls' Club Entertained at Enjoyable Affair at Alexandra House—200 Attend

Members of the Victoria Business Girls' Club were charming hostesses last night at a dance held at the Alexandra House. The club colors were employed in the decorative scheme, gold and green, while trailing ivy and chrysanthemums were also used to great effect. Miss Pearl Kitchman was in charge of the decorations. The supper tables were adorned with streamers of gold and blue and baskets of fruit.

The guests were received by Miss Emma Gilmann, who was convener of the affair, assisted by Miss M. M. Pratt. The floor committee included the following members: Miss Madeline Campbell, Miss Edna Randall, Miss Marjorie Gosse, Miss Dorothy Green, Miss Amy McMillan and Miss O'Neill. Miss Violet Smart was convener of the ticket committee, and Miss Peggy MacDonald was at the receipt of guests throughout the evening, while Miss 50th Street had charge of the refreshments.

About two hundred guests were present, and joined in the dancing to the strains of Oscar's Orchestra, between the hours of 9 and 3 o'clock. During the evening, novelty dances were introduced, with spotlights, and a thoroughly enjoyable time was spent by all present.

Girls' Club Report—A very gratifying report of the work being done by the Girls' Club was given by Miss Crease at the meeting of the Social Service Committee this week. The home, she stated, was practically full all this month. Owing to the fact that Mrs. McEwan is leaving shortly for Scotland, Mrs. S. J. Douglas was elected treasurer. The meeting discussed ways and means of carrying its campaign for social service work into a bigger field, and it was decided to hold an open conference on the subject at an early date, when it is hoped that everyone interested in the work will be present.

Young Ladies, Read This

If you are bothered with pimples, rashes and ugly blotches on your face, if your complexion is sallow, it's an evidence that your require Dr. Hamilton's Pills to tone up the blood. One of these splendid regulating pills makes a complexion like peach bloom—cheeks soon become rosy, eyes brighten, you again look the picture of health, look and feel well because you use Dr. Hamilton's Pills of Manuka and Butternut, 25¢ at all druggists, or the Cataract House Co., Montreal.

City and District in Brief

Boxes for Lightkeepers—The Christmas boxes for lightkeepers, which are being prepared by the Ladies' Guild for Sailors, will not be ready for shipping until next week.

Sanctified Baby Clinic—There were twelve babies examined at the Well Baby Clinic conducted yesterday at the Saanich Health Centre. Dr. Rapp was in attendance. These babies are held every second Friday afternoon.

Wants to Trace—Information as to the whereabouts of Mrs. E. C. Storn, formerly of this city and later of Devitt, Oregon, is requested in a communication to The Colonist by Miss Anna Miller, of 1111 West Thirty-first Street, Chicago.

Water Bonds Sold—One hundred thousand dollars' worth of Saanich water extension bonds have been sold for 100.75 subject to the completion of the necessary legal formalities. Reeves Watson announced yesterday. The bonds are 6-1/2 per cent.

Officers Chosen—The Junior Business and Professional Men's Gymnasium Class of the Y.M.C.A. last night elected its officers for the year. They are: President, Peter McKee; secretary, Herbert Shade; committee: Harry Dixon, Fred McGregor, Ernie Harwood, Chas. McNeill and George Upward.

Cloverdale P.T.—Under the auspices of the Cloverdale Parent-Teachers' Association a what drive will be held at the Cloverdale School Friday evening, November 11, at 8 o'clock, the funds to go to the purchase of football sweaters for the school football team. After the drive coffee will be served. Ladies are asked to kindly provide refreshments.

Charged Under Drug Act—Andrew Durham appeared before Magistrate Jay in the city police court yesterday, charged with having cocaine and heroin in his possession, contrary to the provisions of the Narcotic Drug Act. The accused, who was represented by Mr. R. C. Brethour, was admitted to bail in the sum of \$1,000; and the charge remained until today.

Cymrodorian Society—The regular monthly meeting of the above society will be held in the Foresters' Hall, Broad Street, on Wednesday night next at 8 o'clock. A good programme of music has been arranged, consisting of solos, quartettes, etc., and refreshments will be served. All ladies are requested to bring cake and sandwiches.

In Juvenile Court—Of the ten boys who appeared guilty before Magistrate Jay in the juvenile court yesterday, day to numerous charges of extensive pilfering, the three eldest were committed yesterday for a term of two years each in the reformatory. The remainder were placed on probation, three for twelve months, and four for six months, all of them being recorded formally as under suspended sentence.

Naturalization Application—Before His Honor Judge Lampman, in the County Court yesterday, Mr. Henry C. Hall appeared on behalf of the naturalization application of Mrs. Esther Paul. The applicant said that she was born in France and had lived in Canada for the past forty years. Her husband, also born in France, and of like residence in Canada, was naturalized last year. The application will be forwarded to Ottawa for final action.

Building Society—A meeting of the Greater Victoria Building Society was held last night in the Pemberton Building, the president, Mr. William Marchant, in the chair. The thirteenth drawing for an appropriation took place and resulted in the right to a loan of \$1,000 being secured by Mr. H. G. Sherwood, of 1268 Pembroke Street, the holder of share 51C1. A total of about \$25,000 has now been loaned by the society on first mortgage security since its organization in 1919.

Will Hold Sale of Work—At the regular monthly meeting of the Ladies' Aid Society of St. Paul's Lutheran Church, Wednesday, November 30 was set as the date for the annual sale of needle work and home cooking. The ladies of the society have been busily engaged during the past month in the necessary preparation, and by the end of the month expect to present a very fine display of useful articles and food. A varied programme is being prepared for the evening.

Victoria College Dance—Charming in every detail was the dance held last night at the Victoria College, Craikdarroch, when sixty of the students assembled for the affair, which was arranged by the social committee of the college, consisting of the following students: Miss Russell, Miss Nicholson, Mr. McNeill and Mr. Matthews. Perry's orchestra was in attendance. The rooms were prettily decorated with college pennants of blue and gold, while lights shaded with the same colors added a pretty note of color.

Island Highway Open—The Island Highway is open right through from Victoria to Campbell River and Port Alberni. Mr. Charles H. Harris, of the Island Motorist, stated yesterday upon his return from a motor trip as far as Nanaimo. The worst place on that part of the Highway traversed by him was at Cowichan Bay, where the slippery state of the road made careful driving necessary. The Public Works Department, however, was to be complimented upon the speed with which it had again opened the highway to traffic after the damage done by the swollen streams.

Veterans of France—Comrade MacNeil told the Veterans of France at their fortnightly meeting this week that over 70,000 signatures in favor of the amputated body of a service man were on file in Toronto. The gathering was informed by the Attorney-General's Department that the Provincial Government has the question of enfranchising the native-born Orientals in this country under advisement, and was considering the protest recently sent them by the Veterans of France. The organization has decided to rent two of its large halls to outside parties for dances, card parties or other social affairs, in order to obtain additional sources of revenue to carry on.

Speaking in France—Dr. J. S. Plaskett, director of the Dominion Astrophysical Observatory, Victoria, has accepted the invitation of the Astronomical Society of the Pacific to lecture next Friday evening in the University Sons' Hall, San Francisco, on "The Dimensions of the Stars," which was the subject of his lecture given at the Victoria Centre of the Royal Astronomical Society. After his lecture in San Francisco, Dr. Plaskett will visit the Lick Observatory at Mount Hamilton, and the Mount Wilson Observatory at Pasadena, intending to be away from home for about a fortnight. Mrs. Plaskett will accompany him on his trip south. Dr. Plaskett's will be the second lecture in a series which has been arranged under the auspices of the Astronomical Society of the Pacific, the first lecturer having been Professor Ferdinand Ellerman, of the Mount Wilson Observatory, whose subject was "The Sun."

Prisoner's Civil Action—A further adjournment was allowed by His Honor Judge Lampman in the County Court yesterday of the mechanic's lien action of Nick Semenov against Mrs. Olga Drayman. The plaintiff is serving a sentence of three years' imprisonment in Okalla prison on a conviction before Mr. Justice Murphy at the recent Victoria assizes of burning down the Saanich house of Mrs. Drayman. Semenov's claim is in the sum of \$175, being wages alleged to be owing for work done on the house afterwards burned down. Mr. R. C. Lowe, appearing for Semenov, filed the court that he had been in communication with the warden of the prison, and was still hopeful that he would be able to arrange his client's appearance at the trial. Mr. G. H. Sedger, acting for Mrs. Drayman, consented to a further adjournment.

Saanich Finances—An interim financial report was presented to the Saanich Council on Thursday night. It showed that up to October 31 the 1921 tax, excluding debt and school levies, had been received, \$157,862.84, while the estimated figure was \$154,149.40 for the year. Another \$4,000 is expected by the end of the year. Of the \$50,000 in arrears expected, \$41,779 had been collected. The amount estimated as coming from tax sale redemptions was \$15,000, but up to October 31 only \$5,743 had been secured. Total general revenue receipts for the year were estimated at \$154,780. Up to the end of October \$142,512 had been received, and \$14,849 is expected by the end of the year. The total revenue for the year is \$157,862.84, and the expenses are expected to amount to \$158,245.

FRIENDS' ENTERTAINMENT
Musical Programme Pleases Audience in Meeting House of Quaker Society
There was a goodly attendance at the entertainment given by the Friends' Society in their meeting house, on Friday night last, under the auspices of the Young People's Society, and the various items on the programme were enjoyed by the audience. The programme consisted of the following numbers:
Recitation—Miss Thelma Chadwick, First Royal Princess (by Christina Rossetti).
Pianoforte Solo—Miss Winifred Near.
Hawaiian Selection—Mr. Harry Den.
Solo—Miss Thelma Chadwick, accompanied by Mr. Sherriff: "Phyllis Has Such Charming Grace." "Blackbird's Song."
Duet—Messrs. H. and T. Hollins.
Recitation—Miss Thelma Chadwick, "Allato" (by Pauline Johnson).
Solo—Mr. H. Hollins.
Recitation—Mr. H. Hollins.
Selection—String Orchestra, conducted by Mr. Wilson: piano, Mr. Sherriff.
Recitation—Miss Thelma Chadwick, "Little Boy's Bear Story."
Musical Selection—String Orchestra.
Recitation—Miss Thelma Chadwick, "The Death of Minnehaha" (Longfellow).

AMPUTATION MEN

Smoker and Musical Entertainment Will Be Held Tonight

The Amputation Association of the Great War, Victoria Branch, held their regular bi-monthly meeting at their quarters in the Belmont Block Thursday, at which it was decided to hold a smoker and musical entertainment this evening, commencing at eight o'clock.

This will be the first of a series of Winter entertainments and a large number of members is expected to attend as a very jovial evening is looked forward to.

There are still a few members of the Amputation Club out of employment, and it is requested that anyone who has knowledge of any position suitable to a man who has suffered an arm or leg amputation will phone 645 Y or write the secretary, Mr. J. Davey, 713 Belmont Building.

DON'T NEGLECT BRONCHITIS

The principal symptom of bronchitis is a cough, which is dry, harsh and hacking, accompanied with rapid wheezing, and a feeling of tightness throughout the chest.

There is a raising of phlegm, especially in the morning after rising from bed. This phlegm is at first of a light color, but as the trouble progresses it becomes of a yellowish or greenish color and is sometimes streaked with blood.

DR. WOOD'S NORWAY FINE SYRUP

You will find a remedy that will stimulate the weakened bronchial organs, subdue the inflammation, soothe the irritated parts, loosen the phlegm and remove it with ease and easily dislodge the morbid accumulation.

Mr. John H. Root, 40 Maple Ave., Hamilton, Ont., writes:—"I was troubled with bronchitis and had a very bad cough. I had it so long that I was beginning to get afraid of other developments. I tried all kinds of cough remedies without relief. I was advised by a friend to try Dr. Wood's Norway Fine Syrup, so I got a bottle, and it convinced me to believe that I had at last gotten the right medicine. I used several bottles and am practically well. I have recommended it to others since, and good results followed."

Dr. Wood's get "Dr. Wood's" when you ask for it; price, 35¢ and 50¢ a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont. (Adv.)

RETAIL MERCHANTS

ORGANIZE IN CITY

Victoria Branch of Retail Merchants' Association of Canada Is Formed—Mr. H. S. Stevenson Is President

A Victoria branch of the Retail Merchants' Association of Canada has been formed, and got into harness yesterday when the executive met in the secretary's office, 317 Bayward Building.

The establishment of such an organization here is an important move and makes it possible for the retail merchants to get together and discuss the various questions which crop up from time to time in their respective lines of business, particularly the question of improving, wherever possible, the method of serving the public.

The Provincial Board of the Retail Merchants' Association is in favor of moving its office from Vancouver to Victoria in order to be in closer touch with Provincial Government actions which may affect the interests of the British Columbia retail merchants.

The executive of the local branch is as follows: President, Mr. H. S. Stevenson; first vice-president, Mr. G. Cornwall; second vice-president, Mr. Herbert Kent; treasurer, Mr. F. Currah, and honorary secretary, Mr. George W. Newton.

Mr. W. Neal has been appointed secretary, with office at 317 Bayward Building (phone 1223).

THE WEATHER

Meteorological Office, Victoria, B.C., at 5 p.m., November 4, 1921.

The barometer remains abnormally low over Northern British Columbia, and rain, with light to moderate winds, is expected to continue throughout the night and the day.

At Vancouver, B.C., the barometer is 30.0, wind light, rain, temperature 54° F., and at Seattle, Wash., the barometer is 30.0, wind light, rain, temperature 54° F.

At Portland, Ore., the barometer is 30.0, wind light, rain, temperature 54° F., and at San Francisco, Cal., the barometer is 30.0, wind light, rain, temperature 54° F.

At Los Angeles, Cal., the barometer is 30.0, wind light, rain, temperature 54° F., and at San Diego, Cal., the barometer is 30.0, wind light, rain, temperature 54° F.

At Honolulu, Hawaii, the barometer is 30.0, wind light, rain, temperature 54° F., and at Manila, Philippines, the barometer is 30.0, wind light, rain, temperature 54° F.

At Cebu, Philippines, the barometer is 30.0, wind light, rain, temperature 54° F., and at Singapore, Singapore, the barometer is 30.0, wind light, rain, temperature 54° F.

At Batavia, Java, the barometer is 30.0, wind light, rain, temperature 54° F., and at Hong Kong, Hong Kong, the barometer is 30.0, wind light, rain, temperature 54° F.

At Shanghai, China, the barometer is 30.0, wind light, rain, temperature 54° F., and at Canton, China, the barometer is 30.0, wind light, rain, temperature 54° F.

At Peking, China, the barometer is 30.0, wind light, rain, temperature 54° F., and at Tientsin, China, the barometer is 30.0, wind light, rain, temperature 54° F.

At Hankow, China, the barometer is 30.0, wind light, rain, temperature 54° F., and at Soerabaya, Java, the barometer is 30.0, wind light, rain, temperature 54° F.

At Semarang, Java, the barometer is 30.0, wind light, rain, temperature 54° F., and at Surabaya, Java, the barometer is 30.0, wind light, rain, temperature 54° F.

STORY OF AFRICAN EXPERIENCES GIVEN

Dr. Gabriel R. Maguire, F.R.G.S., Gave Unique Entertainment at Empress Hotel Thursday Evening.

"It is a long way to woman suffrage in the heart of Mayombi," declared Dr. Gabriel R. Maguire, F.R.G.S., the well-known missionary just recently returned from "The Dark Continent," who Thursday night provided his audience at the Empress Hotel with one of the most thrilling and entertaining accounts of travel and exploration which it has ever been their pleasure to hear. Dr. Maguire's lecture, which was given under the auspices of the University Women's Club, with Mrs. A. B. Farris, their president, in the chair, was a triumph of eloquence and heroic action. It was a discourse of highly interesting facts. The incidents which went to make up his interesting narrative were related with telling effect by virtue of a singular gift for mimicry and a native humor which brought the lighter touches into a story based on the age-old tragedy of ignorance and superstition found in the jungle of Africa.

Dr. Maguire brought with him an amazing collection of native musical instruments, idols, necklaces, etc., brought from Mayombi, while skins of the African cobra and python were unfolded during his narrative of exciting experiences relevant to these monstrous serpents. For the virus of the black snake no antidote or cure was known, said the speaker, who has been asked by the Smithsonian Institute for some of his African snake skins.

Much amusement was caused by the lecturer's explanation of how he learned the language of the natives of the Congo and Mayombi. As the language had never been printed he had to master it as best he could, and adopted the method of copious questioning. "What is that?" he had learned, eventually, the names of most objects. "I spent my life in Africa going round 'Ee-kee-akee-akee-akee'," stated Dr. Maguire, amid laughter.

An ardent admirer of the great Livingstone, the lecturer paid a tribute likewise to Stanley, the Scotchman who was sent (with American money) to search for him.

"But there was this difference between them," said the speaker. "Stanley left a trail of blood and broken hearts across Africa, whereas Livingstone left behind him glad hearts and a blessed memory." Stanley, though a noble and courageous man, made the mistake of thinking that might make right, and fought his way across the Continent with a band of native Zanzibar soldiers.

"Any white man with a strong body, a little common sense, and a little patience, can go right through Africa, provided he will just take time and study the people and their habits as he goes," claimed Dr. Maguire, who spent about thirty years in all in Africa. Some idea of the amount of patience and physical endurance required was given in the lecturer's description of his entry into Muekema, where he was required to play an accordion incessantly for three hours to entertain the natives pending the arrival of his chief. Then the long "palav" or the eating of the "dish of peace" (in which a very strict etiquette had to be observed, the chief and his white guest eating alternately from the same spoon of a concoction which consisted of beans and rats), and the drinking from the same vessel of palm wine.

Dr. Maguire touched on the subject of traffic in slaves and the cruel and inhuman practices which had been carried on until William Ewart Gladstone, "that Grand Old Man of England," put into action legislation which eventually brought this to an end. Many of the cruel practices observed by the natives among themselves were also described.

The vote of thanks to Dr. Maguire was moved by Miss McLeod, seconded by Mrs. Rowlands, the prolonged applause of the audience showing how highly appreciative were the audience of the unique entertainment.

PRODUCES CHEQUE

Capt. Mackenzie Submits Proof to House That Charge in Vancouver Newspaper is Unfounded

In the Legislature Thursday afternoon, just after the House opened, Mr. Ian Mackenzie rose to a question of privilege calling attention to the fact that there was an inference in the press that he had omitted to state certain facts relative to the "Get-a-Vote" campaign.

The report of the civic affairs committee, which stated that a subcommittee had been formed, consisting of Gyro Eob Yates and Harold Brown, to watch island affairs and make recommendations regarding any project which it feels the club should be behind.

The athletic committee, of which Gyro Arthur Anderson is now the chairman, reported that subcommittee were working on an extensive programme of indoor baseball, basketball, ice hockey, golf, and perhaps Rugby, for the winter season. The following new members were voted into the club: Ernest F. Marshall, Fred R. Wells, Herbert A. Brown and Samuel Clarence Jones.

A letter from the Pride of the Island Lodge, Sons of England, asking for endorsement of a move on the part of that organization to have the Government provide an industrial home for delinquent youths over the age of 16, was referred to the civic affairs committee.

The directors were instructed to take steps to have a joint luncheon of the Rotary, Kiwanis and Gyro Clubs held for the purpose of bringing about the formation of a Community Service Club's Council, such as exists in Vancouver.

The Gyro Tuesday luncheon will be held on Tuesday next week, as Monday is a holiday.

Ball bearings used in the locks of the Panama Canal were made in Sweden.

charge that he had profited from securing the assent of the Attorney-General to a warehouse license granted to Messrs. Lloyd & Son, clients of his law firm in Vancouver. The member for Vancouver handed up the cheque, which bore the date of May 27, to contradict the accusation in the Vancouver press that he had retained possession of the \$1,500 funds paid to his account, part of the \$2,000 paid to his firm by Messrs. Lloyd & Son, until September 17.

Mr. Speaker Manson expressed his opinion that it was to be regretted that a paper should fail to correctly report House proceedings and he opined that the cheque would clear up the point.

BRITISH SETTLERS TO COME TO THIS PROVINCE

Hon. T. D. Pattullo Receives Word That Plan Advanced by Him Receiving Favorable Consideration in Britain

If plans prepared by Hon. T. D. Pattullo, Minister of Lands, are carried into effect, one thousand families will be brought from Great Britain to settle on lands in this Province.

The Minister recently returned from an extended visit to England during the course of which he studied the question of immigration into this Province of Old Country farmers, who, by virtue of their experience and financial status, might be considered certain of making good on the fertile acres here.

Thursday he announced that as a result of the investigations of a special committee of the Imperial House of Commons, detailed to study the possibility of settlement of Old Country people in other portions of the Empire, the thousand families will be brought to this Province.

When he was in England the Minister brought this suggestion before Mr. Alfred Bigland, M.P., head of the House of Commons committee on Interimperial Development. His suggestion was the formation of a non-profit making organization to which sales of lands in this Province would be made to the prospective settler at classified price, with the provision that every dollar secured from the sale of land would be devoted to build roads and provide educational facilities.

Hon. Mr. Pattullo has received a cable from England to the effect that the Bigland committee had passed favorably upon the Minister's proposal and will urge the matter upon the British Government.

Hon. Mr. Pattullo is convinced that a fine type of British settler can be obtained for British Columbia. It is the proposal, should this colonization scheme be carried through, to settle the newcomers in the Stuart Lake area, in northern central British Columbia, on part of the lands taken over from delinquent holders under the legislation passed by the late Government in 1916, known as the Soldiers' Homestead Act, by which some 2,500,000 acres were brought back to the Province and Reformatory Act in accordance with the requirements of the Dominion Act.

The present Bigland plan, the Minister stated, can be considered only as a beginning. He stated that Mr. Bigland recently advocated through The London Times that part of the German reparations money should be utilized as a basis to provide a fund for fifty millions sterling for Empire settlement purposes.

GYRO CLUB HOLDS MONTHLY MEETING

Number of Matters Dealt With—Club Will Take Steps to Have Community Service Clubs Council.

A large amount of business was transacted at the Gyro Club's monthly meeting Thursday, much of it having to do with the internal affairs of the organization.

A request for the assistance of the club in the coming financial drive of the Victoria Order of Nurses was received, and Gyro Hugh Lethaby and Alex Shepherd volunteered to aid in the canvass which is to be conducted.

The entertainment committee, on recommendation of the civic affairs committee, was instructed to plan an entertainment for the children at the Orphan's Home.

The club accepted the recommendation of the civic affairs committee that a "Use Your Vote" campaign be conducted before the municipal elections as a follow-up after the recent "Get-a-Vote" campaign.

The report of the civic affairs committee, which stated that a subcommittee had been formed, consisting of Gyro Eob Yates and Harold Brown, to watch island affairs and make recommendations regarding any project which it feels the club should be behind.

The athletic committee, of which Gyro Arthur Anderson is now the chairman, reported that subcommittee were working on an extensive programme of indoor baseball, basketball, ice hockey, golf, and perhaps Rugby, for the winter season.

The following new members were voted into the club: Ernest F. Marshall, Fred R. Wells, Herbert A. Brown and Samuel Clarence Jones. A letter from the Pride of the Island Lodge, Sons of England, asking for endorsement of a move on the part of that organization to have the Government provide an industrial home for delinquent youths over the age of 16, was referred to the civic affairs committee.

The directors were instructed to take steps to have a joint luncheon of the Rotary, Kiwanis and Gyro Clubs held for the purpose of bringing about the formation of a Community Service Club's Council, such as exists in Vancouver.

The Gyro Tuesday luncheon will be held on Tuesday next week, as Monday is a holiday.

Ball bearings used in the locks of the Panama Canal were made in Sweden.

SUGGESTION OF TAX ON EGGS DISAPPROVED

Recommendations of Resolutions Committee of Island Conference of Women's Institutes Accepted

Reports and resolutions couched the final session of the Vancouver Island and Conference of Women's Institutes yesterday. The Resolutions Committee, under the convener of Mrs. Lawrie, met at 3:30, and put their work in proper form for the conference, all resolutions with the exception of that from Denman Island asking for a tax of twelve cents a dozen on eggs, being adopted. An amendment to the Denman Island resolution, making for the enforcement of the existing law calling for the stamping of Chinese eggs before they are placed on the market, this was endorsed by the meeting.

Mrs. Deacon's resolution, "that owing to the dairies supplying milk to the public in the Province, and from Hindus unknown to the consumer, be it resolved that the dairies be compelled to advertise their source of supply of milk and keep a printed list of same in prominent place in dairies for the inspection of the public" passed without a dissenting voice.

Mrs. Mathison, Esquimalt, moved a resolution calling for the control of Oriental immigration, particularly in the matter of their holding land.

Institutes which reported at the morning meeting were Denman Island, Mrs. Mosley; Alberni, Mrs. Nell; Gordon Head, Mrs. MacNaughton; Hornby Island, Mrs. Acton; Langford, Mrs. de la Plante; Metchosin, Mrs. McTavish; Parksville, Mrs. Hoxie; Shawigan Lake, Mrs. Tod; Sooke and Otter, Mrs. French; South Saanich, Mrs. Lawrie; Sayward, Mrs. Long; South Salt Spring, Mrs. Read; Valdes Island, Mrs. Marshall; Victoria Institute, Mrs. Tod; West Saanich, Mrs. Murray. All had done very fine work both as independent units working for their own communities, where lectures and demonstrations had been of benefit to the respective districts, and in co-operation with the department. Mrs. Acton, of Hornby Island, stated that she had walked five miles each way to attend the monthly meetings of her institute, the display of energy being much lauded. Mrs. MacNaughton asked that each institute should hold one programme during the year for a paper on "Health." Mrs. Gordon, of the Land Settlement Board, spoke to the session for a few minutes.

Support Resolutions

The conference gave very hearty support to a number of recommendations sent through the secretary of B. C. Women's Institutes by Mrs. MacTavish. These were as follows: "That the Provincial Government be requested to issue the necessary proclamations raising the ages for juvenile delinquents to eighteen years, with the necessary amendments to the Prisons and Reformatory Act in accordance with the requirements of the Dominion Act."

"That the Provincial Government be asked to pass a resolution requesting the Dominion Legislature to introduce the necessary legislation for parole and indeterminate sentence in British Columbia."

"That the Provincial Government be asked to amend the Marriage Act requiring that in the case of applications for the marriage of persons under sixteen, notice in writing of such application be given the Superintendent of Neglected Children before such be granted."

"That in the case of deserted wives no agreement between husband and wife to defeat the purposes of the Act shall be valid."

"That we recommend to the Provincial Government the introduction of a bill fixing the wife's share in the family estate upon the following basis:

"All property owned either by husband or wife before marriage to be his or her separate estate, over which he or she has entire control. "All property acquired after marriage (except by gift or bequest) to be joint property, of which neither partner may give away, will away, nor otherwise alienate more than half without the written consent of the other partner."

"The joint estate to be administered by the partner (husband or wife) transacting the business of the family. "All the aforesaid to be subject to the Testator's Family Maintenance Act."

"That we urge the Provincial Government to bring in such a bill at the next session, read at once, lay it on the table until the following session, print a number of copies, and supply the same to the women's organizations upon application."

"That we urge the Dominion Government to strike out the words 'previously chaste character' in 211 (a) of the Criminal Code. And that copies of these resolutions be sent respectively to Premier Oliver, Attorney-General Farris, and the Hon. W. J. Bowser, of the Provincial House; and the recommendations regarding the section 211 (a) of the Criminal Code, in striking out the words 'previously chaste character' be forwarded to Premier A. Meighen, the Minister of Justice and the Hon. W. L. Mackenzie King."

BRITANNIA MINE WILL HOUSE BIG MILL

An investment estimated at \$1,000,000 is reported to have been authorized by the Britannia Mining and Smelting Company for the construction of a mill on its copper-gold property at Britannia Beach, B.C. The mill will have a capacity of 1,500 tons daily, which will be the largest in British Columbia, and greater than that of the mill destroyed by fire last spring.

The machinery has been ordered from the Trolly Engineering and Manufacturing Company through W. H. Agens, district manager, with headquarters in the Mohawk Block. The purchase includes grinding and crushing machinery, except for that part of the crushing plant situated in the mine which was not reached by the fire.

In the equipment to be delivered are eighteen tube mills of 7 x 10-foot size, a set of 12 x 20-inch rolls and four sets of 14 x 18-inch rolls. The equipment will weigh 700 tons, will

be taken through the Panama Canal from the plant at Allentown, Pa., and will be delivered within less than six months.

The construction of the plant will be supervised by Braden, Braden & La Barthe, of San Francisco, Cal., who designed and erected the smelter of the Bunker Hill & Sullivan Mining and Concentrating Company at Braden, Idaho. The motive power will be electricity, which will be delivered through several motors having a total capacity of 2,000 horsepower.

The contract was let by E. J. Donahue, general manager of the Britannia Company, who had bids from other builders of heavy milling machinery. The large stockholders of the Britannia Company are residents of New York, and the president is W. J. Quigley, of that city.

Mr. Agens left Britannia Beach before the flood last week that damaged the village and took the lives of thirty-five persons.

TRUSTEES REGRET LOSS OF CHAIRMAN

The School Board Thursday night placed on record its deep regret in the enforced absence from office of Dr. Melbourne Raynor, chairman of the board. Dr. Raynor has been in hospital for several weeks, and probably will not attend any more meetings of the board in his official capacity.

A resolution, moved by Mrs. Spoford and seconded by Mr. J. L. Beckwith, ran as follows:

"The very keen and unselfish interest taken by him in all public matters, and more particularly those of child welfare, both educational and physical, have placed this community under a deep debt of gratitude."

"His conduct of the office of chairman of this board has been of the highest character, and his fellow-trustees in meeting assembled take this occasion of wishing him a speedy recovery and an early resumption of his practice in this city."

Patagonia produced 1,500,000 barrels of oil last year.

If a dog has rabies, it will ordinarily die within 30 days.

TRUSTEES CONDEMN PROPOSED CHANGES

School Board Holds Appointment of Members by City Council Would Impair Usefulness,

Opposition to the proposed legislation to reduce the powers of school boards by authorizing city councils to name part of the personnel of the boards was expressed in a resolution passed by the Victoria School Board Thursday night.

It was contended that such legislation would result in impairing the usefulness of the boards and creating disharmony among members.

Dr. Melbourne Raynor, chairman of the board, wrote from his sickbed at St. Joseph's Hospital:

"It is self-evident that any alderman appointed to such a position would only have one viewpoint, namely, the financial. They would want to enter into the discussion without having a general view of the whole situation and would only prolong the meetings. Then, before giving consent to expenditures, they would refuse to vote until the matter was brought before the Council. This would cause an endless number of meetings and often would lead to a deadlock, particularly if a sufficient number of trustees were obsessed with the idea of economy at the expense of the general welfare of the schools."

"Dangerous Experiment" "There might be rare instances where aldermen appointed would be of the right type, but I consider it a very dangerous experiment."

"In the second place I consider that such a change would be a very grave insult to the school trustees, whom I consider are just as sincere and conscientious in their efforts to secure a maximum of efficiency with a minimum of expenditure as any board of aldermen."

"Chairman George Jay said that the voters might choose competent men to serve as aldermen, but such men, elected as such, might be lacking in the qualifications that go to make an efficient school trustee."

"The resolution, which will be submitted to Hon. J. D. MacLean, Minister of Education, as well as to the School Trustees' convention, meeting in Vancouver next week, is as follows:

"Whereas, we have been informed that an effort is likely to be made at the present session of the Legislature to have certain changes made in the Public School Act of the Province, said changes being with a view to lessening the powers of the School Board by the appointment of city councils of certain members of their board to seats on the School Board; and

"Whereas, such an arrangement would tend to impair and weaken the usefulness of school boards owing to the lack of harmony which would certainly follow; and

"Whereas, as at present constituted, the city school boards are made up of citizens with the same property qualification as members of the city council; and

"Whereas, it is the opinion of this board that from the vast amount of work placed on the shoulders of

For 30 Years The Standard of Tea Values

Are You Proud of Your Home?

THEY were returning in the street car from a bridge party—John and his wife, and, for some reason, although it had been a perfectly good party, both John and Margaret felt more than a trifle glum.

"I guess we'll have to learn the new dances," said Margaret wistfully, after a long silence.

"And we'd better take a few lessons in bridge," said John gloomily.

There was another silence. Then the wife burst out:

"Oh, we're behind the times all along the line—that's the trouble. We scarcely ever get invited out any more. Our house is dowdy and out of date. I don't care to invite people into it and it's years since

you asked anybody. People don't come by themselves. They forget that we're alive. We don't count any more."

"Well, what are we going to do about it?" demanded John savagely.

"We are going to brighten-up," replied his wife. "We are going to invest in a new dining-room suite."

"Have you a house that lacks the social spirit? Take a leaf from the book of John and Margaret. They began with the dining-room. Later they renovated their home throughout with beautiful, modern furniture. To-day it is the centre of their social circle's activities. And they were surprised to find an automobile would have cost them more than all their new furnishings."

For a dining-room of any size and proportions, Jacobean furniture is eminently suitable. The style expresses strength, solidity and dignity, and is rich in decorative quality. The suite illustrated is made in Canada and can be ordered from your local dealer.

The Home Furnishings Bureau, Bank of Hamilton Annex, Toronto, Ontario.

NOTE.—The Home Furnishings Bureau does not sell furniture or goods of any kind. Its object is to increase the interest of the Canadian people in the furnishing of Canadian homes. Your local dealer will be pleased to give you any information you desire about suitable furniture for your home. This is one of a series of advertisements appearing in Canadian newspapers, showing suites of Canadian-made furniture. Send 10 cents (to cover carrying charges) to above address for portfolio containing complete series.

CAARMEN WERE HOSTS AT ENJOYABLE DANCE

Many Guests Attended Function Held at Alexandra House by Members of the J.B.A.A. Thursday Night

Over two hundred guests attended the dance held Thursday night at the Alexandra House by members of the J.B.A.A. The committee in charge of the decorations and the dance in general included Mrs. W. S. Day, Mrs. J. C. Penderay, Mrs. J. A. Wickson, Mrs. D. Travis and Messrs. F. Frost, Geo. Pauline, J. H. Walker, Vincent McKenna, Aubrey Wells, Ross Crane, C. H. Wheatley, O. C. Walla, C. W. Pauline and J. A. Wickson, the club secretary.

SOCIAL AND PERSONAL

Mrs. John Cameron, of Vancouver, is a visitor in this city.

Mrs. W. D. Henderson, of this city, was a week-end visitor in the Terminal City.

Mrs. W. J. H. Holmes has returned from Seattle, where she was the guest for several days of Mrs. David J. M. Savage.

Mrs. and Miss Heisterman arrived from Vancouver yesterday where they were visiting Mrs. A. G. Smith.

Mrs. Montagu Furber, of Vancouver, who has been visiting in this city, the guest of Mrs. David J. M. Savage, has returned to the Mainland.

Mrs. Tate, Beach drive, announces the engagement of her second daughter, Florence, to Mr. W. Spencer Hoyt, of Spokane. The wedding will take place early in January.

Mrs. A. D. Bechtel entertained at her residence, on Rockland Avenue, on Thursday afternoon with three tables of bridge, while several friends called at the tea hour.

Friends of Miss Kathleen Clay, Linden Avenue, will be glad to know that she is now convalescing after a tedious illness which confined her to her bed for many weeks.

Mrs. V. E. K. Waide arrived on Wednesday morning from Vancouver, and registered at the Empress Hotel. He will proceed to Shawigan Lake and stay with friends during the week.

Mrs. Arthur Duda Lindsay entertained a few friends informally on Wednesday at the Empress Hotel in compliment to Colonel and Mrs. W. Wyndham Johnston, who have been spending a short visit in Victoria.

Commissioner A. B. Perry, C.M.G., R.C.M. Police, and Mrs. Perry, of Ottawa, accompanied by their daughter, Mrs. Gordon Campbell, of Vancouver, are registered at the Empress Hotel.

Mrs. B. Russell, of Collinson Street, returned recently from Comox, where she spent an enjoyable prolonged holiday amongst old-time friends and acquaintances. Mrs. Russell formerly resided at Comox.

The engagement is announced of Lucy, daughter of Mr. and Mrs. Francis Deane Little, "Highlands," Rockland Avenue, to Dr. Norman Williamson, son of Mr. and Mrs. Thomas Williamson, of Westmount, Montreal.

Miss Boorland, of Miss Smith, of Vancouver, are visiting here, the guests of Mrs. B. O'Rourke, King's Road. Miss Boorland was amongst the nurses who enrolled at Moose Jaw, where she formerly resided, and saw overseas services during the late war.

Mrs. Janet Smith, of this city, Past Supreme Honored Lady of the Royal Purple of Canada, visited and addressed both Vancouver and Comox at the Comox Hotel during the week. While staying in the Terminal City, Mrs. Carl was the guest of Mrs. Fred Simmons.

CATARRH Of the Stomach For Eight Years

The cause of this trouble is the fermentation of food in the stomach which generates a gas that in very frequently belches up. There is also a swelling of the bowels and a discharge of gas therefrom, there is a constant retching, and the meals are frequently vomited. There is a burning pain in the stomach, the appetite is lacking, the tongue coated, the breath bad, constipation is generally present and the sufferer becomes weak, nervous, depressed and exceedingly miserable.

The blame lies with a sluggish liver, as it holds back the bile which is so necessary to promote the movement of the bowels, and when the bile gets into the blood a badly disordered condition of the stomach, liver and bowels will surely follow.

Keep your liver active and you will always enjoy good health.

Mrs. Anna Gallant, Reserve Mines, N.B., writes: "I had been a great sufferer for eight years, from catarrh of the stomach. I tried several remedies until a friend advised me to try Milburn's Laxative Pills, which I did, and four weeks completely relieved me. That was six years ago, and I have had no return of my old trouble."

Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. (Adv.)

Draw in Hockey No Longer Impossible

Last Year's Memorable Encounter on Moose Johnson's Benefit Night When Seattle and Victoria Battled Two Full Hours Will Stand as Record for Organized Hockey

VANCOUVER, Nov. 4.—The record four-all tie game at Victoria on March 4 last between Victoria and Seattle teams of sixty minutes overtime will always stand as the greatest overtime session in the history of organized hockey, a decision reached by the Pacific Coast Hockey Association in annual session here today, precluding all possibility of the mark ever being eclipsed. Hereafter there will only be twenty minutes of overtime play in the event of teams being tied at the expiration of the regulation sixty-minute session. Should the teams fail to break the tie, the game will be declared a draw, and will count as half a win for each club. The National Hockey League has a similar rule, in fact, practically the same rules now effective in all hockey leagues.

Coast League leaders today explained that the record game of March proved such a tremendous strain on the contending players that they were several days recovering, and that in the event of a tie exceeding a twenty-minute overtime play it might seriously affect the chances of teams at a crucial stage of the race. The plan to change the rule received endorsement of the Coast pilots at today's meeting.

Officers were elected, as follows: President, Frank J. Patrick, vice-president, J. F. Douglas, Seattle; secretary-treasurer, A. J. Small, Vancouver; directors, Messrs. Lester Patrick, Victoria, C. F. Muldoon, Seattle.

The schedule adopted provides for twelve home matches for each club, the first game being carded for December 5, Seattle at Vancouver. The matches scheduled for Vancouver on Christmas Day and New Year's Day will be played in the afternoon. The hockey matinees were first introduced at Victoria last season. This year the holidays fall on the days allocated for Vancouver's games and in consequence the puckshavers will perform in the afternoon.

The league officials ratified the agreements recently entered into with the National and Alberta Hockey Associations. A number of minor details are incorporated in these agreements. The one with the N.H.A. runs for a five year period, while that with Alberta expires after one year.

The Coast magnates will experiment with the new penalty rule outlined recently. This provides for a free shot for a player deliberately tripping near the goal. It was decided to experiment with the new rule

RUGBY CHAMPIONSHIP GOES TO SASKATOON

Replay of "Protested Match" With Regina Ends in Score of Nineteen to Six in Their Favor

SASKATOON, Nov. 4.—Regina as Saskatchewan rugby champions are no more. After having ruled over the Western Canada football world for the last ten years without a break, the Southerners today fell victim to the Saskatoon hunkies and lost the replay of the protested match by 19 to 6. Saskatoon's protest of a foul by Regina was converted into a clear-cut victory. There was no disputing the fact that Saskatoon was by far the better team today, and their superiority was just enough to give them their first provincial championship since the game was introduced in the city.

Saskatoon took an early lead. A touchdown was scored in the first quarter, and this was converted. Regina evaded the score in the third, a touchdown and a converted field goal. Two more and a kick to the headline completed the scoring for the locals.

By their win today Saskatoon will play the Winnipeg Victorias on Thanksgiving Day in Winnipeg, for the right to meet the Edmonton Eskimos in the final for the Western Canada title.

THESE GOLFERS MUST ALL BE BACHELORS

Chicago Club Bars the Ladies From Its Links—Example Is Not Likely to Be Followed

CHICAGO, Nov. 4.—Action by the Bob-o-Link Golf Club in barring women from its links is not spreading to other golf clubs. In fact, women have started such a campaign that the Chicago club is being forced to give them their first provincial championship since the game was introduced in the city.

"The women are just as important as the men at any club," said Miss Gloria Chandler, head of the women's golf activities at Glen View. "Of course, we never try to play on holidays or on Saturdays afterwards until three o'clock, but there is not a single

OAK BAY GOLF

The tomahawk competition played yesterday by the ladies of the Victoria Golf Club for the prizes presented by Mrs. Philbrick, the retiring ladies' captain, resulted as follows: In the "A" division Miss Peters was first and Mrs. B. Wilson second, and in the "B" division Mrs. Seattle was first and Miss K. Neame second.

At the annual general meeting, held after the competition, the following officers were elected for the ensuing year: Captain, Mrs. Higginstaff-Wilson; vice-captain, Mrs. Philbrick; honorary secretary, Mrs. Hutchinson; committee, Mrs. Patterson, Miss Pitts, Mrs. B. Heisterman, Mrs. Moss and Miss Peters.

WESTS AND THE METS PROVIDE HEADLINER

Old Soccer Rivals Will Tangle Some More at the Royal Athletic Park This Afternoon—Crucial Game

The headline on the soccer schedule for this afternoon is the meeting of the Wests and the Mets at the Royal Athletic Park. The meeting of these two old rival teams is always interesting and there is seldom much to choose between them, but this afternoon the chances are that the Wests will come out on top, the Mets being considerably weakened by the absence of one or two of their regular stars, while the Wests will probably be as strong as they have been for some time. They have an excellent team and are always noted for the way they seem to understand each other's play and the combination which seldom fails them. The Wests are always a team which never knows when it is beaten.

The Mets are strong, but with alterations in their line-up they are scarcely liable to be as well together as a team. It is a distinct handicap for them to have lost such a fine player as Taylor, for instance, from their line-up.

At Beacon Hill the Sons of England and the Garrison should provide a hard contest, while at the Stadium the Thistles will be working hard to overcome Yarrows. The list of games and line-ups follow:

First Division
Metropolis vs. Wests at Royal Athletic Park; referee, Paulkner.
Sons of England vs. Garrison at Beacon Hill; referee, Payne.

Second Division
C. P. R. vs. Metropolis at Central Park; referee, Lawrence.
Native Sons vs. Wilsons United at Beacon Hill; referee, Armstrong.

Junior Division
Wests vs. Spanish Thistles at Macaulay Point; referee, Wilcox.
Gow vs. James Bays at Albion ground; referee, Hopkins.

Selected Teams
Wests—Shandley, Whyte and Copas; Thomas, R. Sherratt and Baker; J. Sherratt, T. Heyland, Peden, Muir and Clarkson. Players are reminded that the game starts at 2:45.

Metropolis—Leeming; Church and Jackson; Wale, Brynolfson and Buchanan; Taylor, Cummings, Peiterew, Merrifield and Fairly; reserve, Sloan.

Yarrows—Briggs; Ord and Blackington; Mesher, Roe and C. Brown; Harris, Henderson, Bloom, Coles and Burn; reserve, Frimpton, Edwards and Bridgdon. All players are asked to be at the "Veterans" of France headquarters at 2:15.

Thistles—Hewitt; Bradner and Munroe; Pitts, Miller and Falciner; Howden, Sandison, Wright, Brans, Moulton and Potter. To be at the Stadium at 2:15.

Sons of Canada—Robertson; Watson and Anthony; Copas, Lorenz and Ryan; Kenny, A. Moffat (capt.), T. Moffat, Campbell and Waddington; reserve, Kirkamp, H. Campbell and Thompson.

Sons of England—Hetherington; Tuckwell and Carmichael; A. Peich, Wright and Tugman; Harper, Blevie, R. Small, Davies and Coles; reserve, Harwood and Walters.

James Bay Juniors—The following players are requested to turn out at headquarters at 2:15.

During the evening two very attractive features were added to the programme in an Egyptian dance, rendered by Mrs. Curston, who appeared in a most picturesque costume, and received prolonged applause at the conclusion of a magnificent exhibition of Egyptian dancing. A great future is predicted for this dancer by her many friends. The other item on the programme was an excellent impersonation of "Auguste," the French clown, as portrayed by Alex. McCloy, which won the hearty approbation of the audience.

HOREMANS LEADS JAP IN EVERY BLOCK

CHICAGO, Nov. 4.—Edouard Horemans, billiard champion of Europe, won his first block with Koji Yamada, of Japan, yesterday, winning the first 400 to 226 and the second 400 to 244. Horemans leads in their match 2260 points to 1220.

Victoria West Juniors
The following will be the Victoria West Juniors team this afternoon: Toole, Judd, Watt, McLennan, Kojl Yamada, of Japan, yesterday, winning the first 400 to 226 and the second 400 to 244. Horemans leads in their match 2260 points to 1220.

Sweden has an area of 170,176 square miles.

OLD BOYS TACKLE

WANDERERS TODAY

Game Will Give Indication of
Chances of Any Team in
League to Stop the Bays' Progress

Only one senior rugby league match is on the schedule for today, the Old Boys meeting the Wanderers at Oak Bay. Rugby followers are all agog to see the result of this encounter, which will enable them to get their final material for doing out a "form chart" of the four teams engaged in the struggle this year for the Barnard Cup and the Rugby championship of Victoria. So far the Wanderers and the Bays have shown that they are very evenly matched when each has its strongest side out, and the Royal Naval College, after playing a very even game with the Old Boys, followed this up by showing that they were just as capable of holding their own with the Wanderers. The Old Boys, on the other hand, after their close struggle with the Naval College, found that in the Bays they were up against a team which was able to outplay them in all departments of the game.

Does this mean that the Bays have improved very greatly since their first match of the season, played with the Wanderers? Or does it mean that the Old Boys, after showing that the Naval cadets were not their superiors, had an off day against the Bays? Today's match will shed some light on these questions, and the chances are that the Wanderers, without the services of D. M. Grant, who showed in the match against the Bays that he was still the best man on the Wanderers' line-up, will find that they will not be able to score so heavily against the Old Boys as did the Bays last week. The Bays have the best back division in the city today, and unless the other teams show as much improvement in this department as did the J.V.A. boys last week, their chances of holding the championship this year appear to be decidedly rosy.

The Teams

The teams which will do battle on the Oak Bay ground today are as follows:

Wanderers: Full back, H. A. Tomlin; three-quarters, L. H. Wiltshire, W. H. Warburton, D. Johnson and H. C. Steele; half backs, H. G. L. Parker and W. C. Huxtable; forwards, J. B. Aeland, E. H. Pendray, H. Robinson, F. A. Herman, J. Blyth, A. Kerr, S. Honeychurch and A. Hillier; reserves, B. McMillen, H. L. S. McCulloch, E. A. Wootton and E. A. Walls.

Old Boys—Full back, Macdonald; three-quarters, B. R. Kerr, E. Hanbury, R. E. Chaloner and C. J. Holmes; half backs, A. N. Robertson and B. Wilson; forwards, W. Toimie, T. Mason, C. Milligan, I. Henderson, L. Young, H. Holmes, W. Garard and N. Collier.

Kick-off will be at 3 o'clock. The Old Boys' second team will be engaged at University School where

CRICKETERS TO MEET

The Victoria and District Cricket Association will hold a very important meeting in the Pemberton Hotel on Tuesday next, November 8, at 8 p.m., in Room 269. The meeting will be open to the public, and all interested in grass games are invited to be present.

they meet the Bays' intermediate team at 3 p.m. with the following in their line-up: Full back, Featherstone; three-quarters, McNally, Drury, Matthews and Holmbeck; half backs, Bainbridge and Knapton; forwards, Wheatley, Hodson, Ruck, Barton, Frampton, Hodson, Forester and Turner.

The Bays' line-up will be as follows: Cameron, Shaw, Walker, Temple, Raybone, Cummins, Hamilton, Robbins, MacLean, Humber, Like, McNamara (captain), Sturgess, Cunningham, Gosse. Players are asked to take the No. 10 car leaving town at 2:45 o'clock.

Pal Moore Wins
CHICAGO, Nov. 4.—Pal Moore, Memphis, Tenn., bantamweight, tonight defeated Karl Purpur, of Denver, in a ten-round bout.

Greb Beat Weinert
NEW YORK, Nov. 4.—Harry Greb, Pittsburgh heavyweight, tonight defeated Greb Weinert, Newark, receiving the judges' decision after a 15-round bout.

RICKARD IS FACING FINANCIAL TROUBLE

Broker Seeks Judge's Order to
Put Promoter and His Com-
panies Into the Hands of a
Receiver

NEW YORK, Nov. 4.—In an effort to recover money said to have been loaned Tex Rickard for promotion of the Johnson-Jeffries bout in 1919 and other big sporting events, Frank Armstrong, broker, today sought to have the promoter and two corporations in which he is interested thrown into the hands of a receiver.

Upon Armstrong's application Supreme Court Justice Hotchkiss signed an order requiring Rickard, the Madison Square Garden Corporation and the Madison Square Garden Sporting Club, Inc., to show cause next Monday why a receiver should not be appointed for their interests.

In his complaint, Armstrong stated he advanced Rickard \$10,000 to aid in promoting the Johnson-Jeffries contest, also that he helped the promoter when he managed the Gans-Nelson bout in Goldfield, Nevada, and when he obtained the lease on Madison Square Garden. The two corporations named in the complaint, Armstrong said, owed Rickard \$250,000, but Rickard had told him he had no money to pay his debts. The complainant added that upon his recommendation Wm. A. Armstrong, president of the National Copper Bank of Salt Lake City, also had loaned money to Rickard.

Matthew Corbett Dead
NEW YORK, Nov. 3.—Matthew Corbett, 68, president of the Metropolitan Racing Association, and one of the best known sportsmen in the country, died at his home here tonight.

Executions at Moscow
MOSCOW, Nov. 4.—Nineteen men have been shot and forty men and women sentenced to prison terms after conviction before a Moscow court martial for thefts of diamonds, platinum and old silver and jewelry from the Government stores. These stocks were taken over by the Soviet from shops and individuals at the beginning of the Bolshevik regime.

MINNEAPOLIS, Minn., Nov. 4.—For the first time in more than five years flour went under the \$7 a barrel price here today, the decline following a break in the wheat market yesterday.

OPENING GAME

DECEMBER 5TH

Executive of Victoria Senior
Amateur Hockey Association
Decides to Open League
Next Month

The opening games in the race for the Dudley cup, emblematic of the Victoria senior amateur ice hockey championship, will be staged Monday evening, December 5. This was decided at a meeting of the executive of the Victoria Senior Amateur Hockey Association held last evening in the office of the secretary, Dave McFarlane, 600 Belmont House.

The opening games will be the Elks vs. Garrison and Senators vs. G. W. V. A. The balance of the schedule will be drawn up by a committee consisting of President Dan O'Sullivan, Secretary Dave McFarlane and Archie Wells. The schedule will be practically the same as last season with the exception of the Mondays following Christmas and New Year.

The Junior League is to be given the full support of the senior body, and the sum of \$50 was voted to help meet the expenses of their games. A further sum will be given later on in the season. "It is up to us to encourage the youngsters," declared President Dan O'Sullivan to the meeting when discussing the issue. "They are our future players, and it is up to us to look after them." It was the unanimous opinion that the Junior League should be given all the assistance possible by the association.

The question of organizing a commercial league was dealt with, but the executive found they could undertake no further expense this year. However, they were prepared to do all in their power to organize the league and do the necessary preliminary work.

It was decided that each team will be allowed \$250 expenses this season. This amount would outfit the clubs with sweaters, pants, stockings and skates. It was found that several teams would not need any equipment, having been fully outfitted last year, and most of the \$250 could be returned to the league to help pay for other incidentals.

The question of the insuring of players was dealt with, and it was pointed out that several players injured last season and not confined to their homes were unable to obtain compensation from the insurance companies for injuries. The managers of the four clubs are to meet and discuss this matter and will report back at the next meeting of the executive.

President O'Sullivan reported that a committee had a conference with Lester Patrick, manager of the Arena Company, and made satisfactory arrangements for the rental of the rink. The league is to receive \$3 1/3 per cent of the gate, with free practice hours, which will include four hours each week. The executive were greatly pleased with the success of the negotiations and believe they will be able to operate without a loss this year. It was the unanimous decision of the executive to accept the excellent offer and the agreement is to be signed immediately.

Stuart Is Delegate
Harry Stuart was chosen as the delegate to attend the British Columbia Amateur Hockey Association meeting to be held in Vancouver the end of next week. He will carry the proxies of the four local clubs. It was stated that Vancouver acknowledged that the presidency of the association would come up for election, and the name of Percy Watson was suggested. The executive thought that there was not a man more suitable and worthy of the position than Mr. Watson, and Mr. Stuart is to be instructed that Mr. Watson is to receive the full support of Victoria.

The Elks (Charlie Burnett), Senators (George Straith), Garrison (Major Hughes), and G. W. V. A. (Ambrose) are all anxious to retain their franchise this season. Each team is to be allowed to sign ten players up to the night of the first game, after which eight players and a goaltender will be allowed each club.

The managers of the various teams stated that they intend to start practicing immediately, so that their men will be in tip-top shape before the season opens December 5.

GOVERNMENT PLEAS MANCHESTER TRADERS

LONDON, Nov. 4.—Manchester traders readily acknowledge the promptness and courtesy with which their representations were received by the Canadian Customs Department regarding the new regulations for marking textile goods. One authority says:

"This speedy removal of what would have been a troublesome impediment to trade is regarded with great satisfaction here. It should be held up as an example of how efficiently a government department can receive and act upon reasoned representations from responsible bodies with gain rather than loss in dignity and in the public estimation."

BOY SCOUTS' MEETING ELECTS OFFICERS

VANCOUVER, Nov. 4.—A. McCreary was elected president of the Boy Scouts' Association of British Columbia at the annual meeting here tonight. It was announced that the past year had been the most successful in the history of the association in this Province. The association now has more than 1,000 members, an increase of about 600 over the strength in December, 1919.

Mr. McCreary succeeds Brig.-Gen. W. Odium, who resigned the presidency two months ago. Other officers elected tonight were: Vice-president, Lieut.-Col. N. W. Foster, treasurer, Hail C. Chieney, organizing secretary, E. R. B. Parkinson.

CORRECTS STORY ON RAILWAY PAY

Minister of Labor Shows That
Statement of James Murdock
Concerning Reduction
of Wages Is Wrong

OTTAWA, Nov. 4.—Asked regarding the assertions made by James Murdock, of the Brotherhood of Railway Trainmen, former member of the Board of Commerce, and Liberal candidate in South Toronto, that the government had cut rates of pay to railway employees, Hon. Gideon Robertson, Minister of Labor, today said:

"All of the railway employees in train service on Government-owned lines in Canada had their wages reduced on July 16, as was done on all other lines in both Canada and the United States, except that in the United States the reduction dated all in their power to effect having been laid by one constable against another."

North Vancouver Police Inquiry
NORTH VANCOUVER, Nov. 4.—An investigation into charges against certain members of the local police force is proceeding, which will probably result in a reorganization of the force and the dismissal of one or more members. The charges cover alleged neglect of duty and the taking of intoxicating liquor while on duty, and the investigation is the result of charges to this effect having been laid by one constable against another.
